The journal Des Debats publishes a letter | Coolies on board were dead. om Berlin, dated 21st inst., which states hat in a Cabinet Council held that day, at which the King presided, it was decided that onferences, and should make no concessions usceptible of changing her actual position. The acceptance of the Austrian propositions has been published officially at St. Petersburg. The announcement states that the chief condition is the neutralization of the Russia and Turkey, Russia being ready to

iscuss the other points. It is stated in diplomatic circles, that Ausn New tria considers the wording of the proposition entitles Russia to maintain all existing fort resses on the Black Sea. Fur her, it is rumored, that the Allies intend to maintain an army of occupation in Turkey till the reforms in favor of the Christians are firmly estabished. This proposal is extremely distanteful both to Turkey and Russia, and Austria proposes to maintain her army in the Danubian principalities so long as the French and came off on that day and proved the very opposite feeling of the House. English occupy Turkey.

It was stated and afterwards contradicted that Murshal Pellissier, General Codrington and Omar Pasha had, like Gen. Gortshakoff, received orders from their respective Governments, to stop hostilities. Such orders will not be sent till an armistice be nominally concluded. It is hoped that such armistice may be signed on or about the 2d February.

The Globe, the Palmerston organ, of Friday evening January 25th, announces in a of the Government are proceeding as if no pa- The first resolution which was against the law, Mr. M'Phelim attacked the printing expenses; cific intimation had been received within the was moved by Mr. Hugh McMonagle, and se- gat quite violent. # UNITED STATES.

Under the "Commercial" head in the New York Observer we find the following, which is intended to shew that villany in Commercial transactions cannot prosper. We commend it as a warning to those who may think dishonesty profitable.

"The melanchely end of Judge Forsyth carries with it a moral which cannot be too widely published. It will be remembered that he forged the names of his neares: relatives and best friends, in order to dispose of securities he held in trust for them, to raise funds for the indulgence of his unbridled passions, and that when concealment was no longer possible, he fled to Europe. His connexions were all in the best society, and his extraordinary lapse from the height he had occupied to much painful comment in a wide circle not accustomed to such a demand upon their sympathy. He attend. had but a moderate sum of money with him when he l'ft, having squandered large amounts at the gaming table, and no trace of him was discovered for many months. But Americans are pushing their way through all lands, and he was too widely known to be long concealed A gentleman recognized him at Sevile in Spain, where he was living under the assumed name of Benham, and a letter was afterwards received in this cuty from him, post-marked in Algiers, which was the last direct in an English paper, stating that a gentleman who called himself Capt. Edward Robert Rushleigh. and hailed from Canada, was lying dangerously ill at the Green Dragon Inn, Hereford, and as he refused to communicate anything in regard to his connexions, his friends were requested to claim him. His intention evidently was to die with- wisdom shown by the Directors of the Com- sible for the financial condition of the counout a sign' in that secluded place, leaving no pany in his appointment. means by which he could be traced. But Providence had a use for the moral of his career, and his purpose was thwarted. He held in his possession a letter which showed that he had lived in Spain under the name of Benham, and this fact was mentioned in the advertisement. The paragraph met the eye of the gentleman who had reonce established. Before any communication age was done. was held with him, however, another advertisement announced his death with a minute descripthe midst of strangers who looked upon him with cold suspicion, and wearing a disguise which must

It is feared that the British Government low, when the hatches were fastened down, are considered the manufacturers of the best will not consent to sign the preliminaries of and the poor wretches kept in their dark close quality of flour, into which, with the original prison for twelve hours On re-opening the mill-bread upon them, they pack the most inhatches, it was found that 250 of the 440 ferior quality of flour they can purchase, and
