THE SABBATH DAY.

" Day ever bless'd. Thy light, thy rest, I hail with glad emotion ; Ordained for man. When time began, For solace and devotion.

" Day more endeared Since Christ appeared,

The Life and Resurrection. That morning's rays Shed o'er these days

His glory's bright reflection.

"Gain's sordid strife, Toil's o'erstrained life, Are now a while suspended. E'en serf and slave Brief respite have, And mourn the Sabbath ended.

" Through all the day, Prayers wing their way, The Throne of Grace addressing ; With thousand songs From holy throngs. Returned in showers of blessing.

" Now spreads around The joyful sound, The dead to life awaking : The poor, the sad Are now made glad, Of Mercy's feast partaking.

" Sweet Sabbath hours ! Time's golden flowers, With balm and incense freighted; Throughout the week, Of Heaven they speak,

And things to Heaven related.

" In union sweet, Fond circles meet, And home becomes still dearer, As early ties

Catch Hope's bright dyes, And heaven itself seems nearer.

" Day ever bless'd ! Type of the rest That for the saints remainsth ; Happy is he Who joys in thee, And ne'er thy joys profaneth." JOSIAH CONDER.

PAIN KILLER. Sr. Louis, Mo.

Dear Sir ----I felt it a duty I owe to the public, to make known the value of Davis' Pain Killer, and my experience in using it for some of the comple for which it is highly recommended. In April last, n your recommendation, 1 purchased a one dollar ottle of you for pains with which I have long been icted, and made use of it on my trip down to New Orleans, with the most gratifying and beneficial effects. On my return trip to this city, the Cholera made its appearance among some of my passengers. 1 made ise of the Pain Killer, having no other remedy or board, and to my surplise and gratfication found it gave immediate relief. On my arrival in St. Louis, I called on you and got four large bottles, and stated to ou my confidence in it as an infallible Cholera renedy, and remarking to you that 1 wanted no other Cholera remedy on my boat. I made use of the four bottles on my trip to New Orleans and back, for Cholera and some other complaints for which it is recom-mended, and met with the most astonishing successthen I ordered from you six more one dollar bottles. Since then I have made two more trips to New Orleans and back, and on ny previous trip up, I had more than Seventy cases of Cholera on board, when the PAIN KILLER was imm.diately used with the most astonishing results. In all cases where it was used in time it gave relief in a very short time; and I can with confidence say to the public, that in all of the first stages of Cholera, when taken in time, it is in my opinion an infallible remedy: and after a fair trial with it for several works, and for four trips to New Orleans and back, and using it for Cholera and for other complaints for which it is recommended, n ration whatever would induce me to leave port without a good supply-believing it to be a me that no officer of a boat or any family would be with-

out a single day after using one bottle. J. M. BROADWELL, Capt. Stm'r Atlantic. I most cordialiy unite with Capt. Broadwell in re-ommending Perry Davis' Pain Killer to the public, having myself been severely attacked with the Cho-lera, and found relief in a few hours by using the Pain Killer, and have administered it to more than fifty persons attacked with the Cholera, and when used in nme, a cure was effected in a few hours. and take pleasure in recommending it to the public as an in luable medicine, that no individual should be with-

out a single hour. JOHN N. BOFFINGER, Clerk Stm'r Atlantic. DAVIS' PAIN KILLER .- The certificates appended from the captain and clerk of the Steamer Allastic, we know to be genuine, and founded on facts, as they verbally stated in our office the substance of what they publish .- [St. Louis Union.

ROUSE'S POINT. Clinton Co. N. Y. Perry Davis-Sir :- The benefits I have received from the use of your invaluable remedy, the Poin Kil-ler, induces me to pen a word of praise for it. Experience has convinced me that for Headache. Indiga-tion, Pain in the Stomach, or any other part of the system, Severe Chills, Weakness, Cemmon Cobis, Hoarseness, CHOLERA, CHOLERA MORBUS, Diarrhona, Dysentary, Tooth Ache, de. &c. there is nothing better than the Pain Killer. I have this hour received from a severe attack of the Siek Headache, using up two teaspoonfuls, taken at thirty minutes interval, in a wine glass full of warm water. I am confident that through the blessing of God, it saved me from the cholera during the summer of 1849 Travelling amid heat, dust, toil, change of diet and constant exposure to an infected atmosphere, my sys-tem was daily predisposed to dysentary, attacks, ac-companied with pain' for which the Pain Killer was a sovereign remedy : one teaspoonful euring the worst case in an hour, or at most, half a day !- My brothers in the ministry have used it with much success in received from a severe attack of the Siek Meadache, n the ministry have used it with much success in various diseases I have heard many cases the coun-try over, of Dysentary being cured by its use. Pat in he teeth, it would stop the tooth-ache. Gratitude, and a desire for its general use, has
