The following narrative of our late visit to immediate importance.

# A Visit to Woodstock and Houl-

a sew day a visit for the completion large school, and I should live to have a good supagain, arriving at home on the 5th inst. The were made during our visit for the completion large school, and I should live to have a good supagain, arriving at home on the common incidents of a trip up the river St. John of their place of worship. The building, the ply of Bibles for it. It may seem strange to some cannot of course be many, nor very interesting. cutside and vestry of which are finished, is large why I feel so interested in the Subbath School The appearance of the country although back- and commodious, intended to contain nearly sixty enterprise. I will tell them :ward is beginning to be agreeable, and indica- pews on the floor, and gallery. A sufficient 1. Because it was in a Sunday School that the tions of fruitfull vegetation are observable on either number of the pews were sold to warrant a conside as you pass up or down. The quantity of tract for finishing, and we expect if we are pertimber and logs which is met as you go up is a mitted to visit the beautiful and growing town 2. Because they are the hope of the Church, matter of sound interest. A gentleman informed of Woodstock again, we shall find this place of and thousands have been raised up in them to us that about sixty thousand tons of square pine worship well finished, and well filled with devout preach the gospel, not only at home, but abroad. timber was being floated down the river St. John worshippers. We paid a visit to Jacksontown, 3. My choice if I have any in this world, is to this season, of which about one quarter is the and spoke once to the people among whom we look after the interest of Sabbath Schools; such property of the Messrs. Glazier, who have been commenced our mission labor last year, and is my attachment to them, and for these and other long known as the most extensive lumberers on whose affectionate and warm response at that reasons, I am interested for their prosperity." the St. John waters. Steamers are now plying time, has cheered our heart ever since. May the great Head of the Church increase daily between Fredericton and Woodstock, and God give them of the dew of heaven, and the fatoccasionally go up as far as the Tobique and ness of the earth, and plenty of corn and wine. partment of Christian labour.-Ed. Grand Falls. The Riendeer, which had recived It is with this Church that Elder Hartt labours rence; and we trust that measures will be adopt- brethren in the ministry who have laboured in form that general acquaintance which I otherwise ed by the proper authorities, as well as by steam- that County, have laboured faithfully and ear- should. It is a field where much labour could be boat proprietors, to render such tragedies still nestly, and God has rewarded them with the profitably expended. I baptized two in Taylor's more rare. Our truvel to Woodstock and back hearts of many people, and the conversion of Village, and no doubt if labour had been conwas upon the whole rather agreeable, occupying | many souls. about twenty-four hours in going; and eighteen in returning, including about five or six hours stoppage in Fredericton. The variety of characsion like this, affords some lessons of instruction. We must say, that we were not more disgusted had not the most honorable association in our
