Robberies of all kinds, of houses or on the highway, are common occurrences throughout the Pope's dominions at present. Bri-

The miners are prosperous, except for lack of water. The first returns of the grain harvest are coming in. It is believed that the crops of this year will be larger than those of any previous year. The quality of the grain is excellent.—*Tribune*.

HAVE YOU A DISEASED LIVER?
The question, though startling, is sufficiently
resive, when the fact is taken into considera-
tion that diseases of the Liver have become most
alarmingly frequent in the United States. Indeed,
there are now several formidable diseases that are not in-
