He gave it to children a year old; to c people of sixty; and has seen poor, puny looking chi dren, whose flesh was soft and flabby, restored to

perfect state of health by one bottle.

To those who are subject to a sick headsche gna bottle will always cure it. It gives great relief in catarth and disziness. Some who have taken it have been costive for years, and have been regulated by it Where the body is sound, it works quite easy, by where there is any derangement of the functions nature, it will cause very singular feelings, but you must not be alarmed—they always disappear in from four days to a week. There is never a bad result from it-on the contrary, when that feeling is gone, you will feel yourself like a new person. I heard some of the most extravagant encomiums of it that ever man
