THE LIVING ROCK.

1 Cor. x. 4; and Exodns xxxiii. 22. I'm wandering through a desert wide, Dark tempests roar on every side. Of all earthly help bereft, Faint, I breathe the noisome air, But my Rock is every where,-Hide, oh ! hide me in the cleft.

Fiery serpents round me press, With deadly coils, my soul caress, Ah! I fear no hope is left. To the cross I lift mine eyes, Lo! my Rock a sacrifice! Hide, oh ! hide me in the cleft.

Dangers thick, my steps pursue, Foes are many, friends are few, Enemies my pains deride, Sinai's angry thunders roar-Unshaken Rock! to thee I soar, In the cleft my soul would hide.

My thirsty soul no longer sings. Oh! I pant for living springs, Soon, without I faint and die. From the Rock my spirit chose, Cleft for me, the water flows-Living springs which never dry.

Long I've trod this desert through-The promised land, when shall I view, Where fees shall cease to mock. The sun descends with secrebing heat; I'll rest my weary, wandering feet Beneath the shadowing Rock.

Plague and famine waste and wear, Ah! must all the people die! See! a wall of incense rise! Manna falls before our eyes ! Bread from heaven our wants supply.

Groans and wailings fill the air,

Oh! Bread of heaven! Oh! living Reck; Feed and shelter all thy flock.

Watch over them for good. In righteous robes, my spirit clothe; And last I should this manna loathe, And leng for grosser food.

Let this bread my sense refine-Let me see thy glory shine-Heal, oh ! heal ! my wounded heart. To the Rock that's cleft for me, Give me grace in time to fice, Ere life and hope depart.

Be the tempest dark and wild-Let me know myself thy child. I'll fear no earthquake shock, Safe I'll tread this desert vale-Safe be kept, when earth shall fail-Fixed upon the Living Rock.

CHOLERA.

Dear Sir -I felt it a duty I owe to the public, to make known the value of Davis Pain Killer, and my experience in using it for some of the complaints for which it is highly recommended. In April last, or your recommendation, I purchased a one dollar bottle of you for pains with which I have long been afflicted, and made use of it on my trip down to Orleans, with the most gratifying and beneficial effects. On my return trip to this city, the Cholera made its appearance among some of my passengers. I made use of the Pain Killer, having no other remedy on heard, and to my surprise and gratfication found gave immediate relief. On my arrival in St. Louis, called on you and got four large bottles, and stated to you my confidence in it as an infallible Cholera remedy, and remarking to you that I wanted no other Cholera remedy on my boat. I made use of the four bottles on my trip to New Orleans and back, for Cholera and some other somplaints for which it is recommended, and met with the most astonishing success-Since then I have made two many trips to New Orleans and back, and on my previous trip up, I had more than Seventy cases of Cholern on board, when the PAIN KILLER was immediately used with the most astonishing results. In all cases where it was used in time it gave relief in a very short time; and I can with confidence say to the public, that in all of the first stages of Cholera, when taken in time, it is in my opinion an infallible remedy; and after a fair trial with it for several works, and for four trips to New Orleans and back, and using it for Cholera and for other complaints for which it is recommended, no consideration whatever would induce me to leave port without a good supply-believing it to be a medicine that no officer of a boat or any family would be with-

out a single day after using one bottle.

J. M. BROADWELL, Capt. Stm'r Atlantic. I most cordially unite with Capt. Broadwell in reaving myself been severely attacked with the Choera, and found relief in a few hours by using the r'ain Killer, and have administered it to more then fifty persons attacked with the Cholera, and when used in time, a cure was effected in a few hours, and take pleasure in recommending it to the public as an inraluable medicine, that no individual should be with-

verbally stated in our office the substance of what they publish - St. Louis Union. ROUSE'S POINT, Clinton Co. N. Y. Perry Devis-Sir :- The benefits I have rec from the use of your invaluable remedy, the Pain Killer, induces me to pen a word of praise for it. Expericure has convinced me that for Headache. Indigestion, Pain in the Stomach, or any other part of the system, Severe Chills, Weakness, Common Colds, Hoarseness, CHOLERA, CHOLERA MORBUS, Diarrhora, Dysentary, Tooth Ache, &c. &c. there is nothing better them the Poin Killer. I have this hour received from a severe attack of the Sick Headache, using up two teaspoonfuls, taken at thirty minutes interval in a wine glass full of warm water. I am confident that through the blessing of God, it saved me from the cholera during the summer of 1849 Travelling smid heat, dust, toil, change of diet and constant exposure to an infected atmosphere, my sys tem was daily predisposed to dysentary, attacks, accompanied with pain' for which the Pain Killer was a reign remedy; one tenspoonful curing the worst case in an hour, or at most, half a day !- My brothers the ministry have used it with much success in rarious diseases I have heard many cases the country over, of Dysentary being cured by its use. Put in the teeth, it would stop the tooth-ache.

that so d another; after a trial it always speaks for itself. There are two things about this herb that appears to me surprising; first, that it grows in our pastures, in some places quite plentiful, and yet its value second, that it should cure all kinds of humer. In order to give some idea of the sudden rise and great popularity of the discovery, I will state that in April, 1853, I peddled it, and sold about six buttles

There is a universal praise of it from all quarters. In my own practice I always kept it strictly for humors-but since its intraduction as a general family medicine, great and wonderful virtues have been found

in it that I never suspected.

Several cases of epileptic fits—a disease which was always considered incurable, have been cured by a few bottles. O, what a mercy if it will prove effectual in all cases of that awful malady-there are but few who have seen more of it than I have. I know of several cases of Dropsy, all of them aged copie, cured by it For the various diseases of the Liver, Sick Hesdache, Dyspepsia, Asthma, Fever and Ague, Pain in the Side, Phiseases of the Spine, and
