The Vigilance Committee at San Francisco have signilized themselves, since our preving information. ous advices, by the unconditional release of which both de. Judge Terry, on the 7th of August, and by t present this is a grand parade and review of their whole The General forces on the 18th. rissa, which has

There was a great fire at Diamond Springs on the 5th alt., which destroyed \$500 000 worth of property.

Rather more than the average number of murder, robberies and assaults of a less grave character, have taken place during the past fortnight. One of the most desperate cases occurred on the 12th ult., when a party of six highwaymen attacked in open day the Cantonville stage coach on its way to Marysville. There was about \$100,000 in treasure in the stage at the time, and the coach was full of passengers, who gallently defended themselves and their property. Some 40 shots were intercharged, and the coach was riddled with balls. One passenger, a woman, was shot through the brain, and several others seriously wounded. The robbers were com- left Madeira on the 3rd August, there had pelled to retreat without a coveted booty. been 5000 cases of Cholera, and 1500 deaths Cordwood, mixed.
