in 1828, we have been making great changes continued for nearly three hours-and a shot C. She has lived a consistent christian life, and in our laws, altering the basis of our purlia-mentary representation, admitting millions of the captain, who was the owner of the shallop, having destroyed the rudder of the shallop, the captain, who was the owner of the slaver, surrendered. Two of his slaves, and an in-terpreter, were taken from the shallop, and the crew were left in it, to make the best of their way to Cuba. The first Lieutenant hen boarded the schooner, and found her filled with young Africaus, males and females, to the number of 373, no less than 127 having fallen victims to the horrors of the middle

> assage, during a passage of 29 days. The poor captives were in a wretched condition-all of them were niked-and the greater part seemed to have been half starvd. They were packed closely together, and overed with dirt and vermin. On the arrial of the schooner in St. Ann's Bay, several entlemen went on board, and their sympahies word excited at the misery they witness-ed. Messrs, Bravo and Brother suggested neasures, which were adopted, and with their

usual liberality, ordered a steer to be killed, and soup to be prepared for the sufferers ; other gentlemen furnished ground, provisions, pread, &c., and while the food was being arepared, the whole of the human cargo was brought upon deck, washed, and had blankets but the most humane attention was paid to hem, and up to the time when our informant left St. Ann's Bay, they were all alive, and

expected to do well. The Captain of the schooner refused to

give his name, or the name of the vessel, but stated that he would be a loser of \$30,000sed for the defence, and proved that his uncle dist.
