#### 4 Warning.

The Editor of the Knickerbocker Magazine at tended a camp-meeting of colored people, when one colored brother particularly arrested his attention. Of him he says:

He was very old; he said he was "going on coventy;" he stood in the midst of a verly large melodious, we thought, was singing from a printed slip, " A Warning," in which all around joined with great fervor. And this was the "Warning" which he gave, and while singing it, with shortened breath, but most affecting soempity, intermingled occasionally with touching, and often eloquent comments, he was joined by great numbers of his "colored brethren" pre-

> "The voice of WISDOM hear. Be in time, be in time! The voice of Wisdom hear, Be in time: To give up every sin, In earnest now begin : For the night will soon set in: Be in time, be in time! For the night will soon set in: Be in time!

"Ye aged sinners hear, Be in time, be in time! Ye aged sinners hear Be in time! Your sands are running fast, Your die will soon be cast: Ye aged men make haste: Be in time, be in time! Ye aged men make haste: Be in time!

"Though late, you may return, Be in time, be in time! Though late, you may return, Be in time: Though late, you may return, You're not to late to learn; While the lamp holds out to burn : Be in time, be in time! While the lamp holds out to burn: Be in time!

"You who are young in years, Be in time, be in time! You who are young in years, Be in time You say you're in your bloom, And far from the dark tomb; But mind, your day will come : Be in time, be in time! But mind your day will come: Be in time!

\* Ye young, ye gay, ye proud,

You must die and wear the shroud : Be in time: Then you'll cry, and want to be Happy in eternity; When the monster Dearn you see: Be in time, be in time!

When the monster BEATH you see : Be in time! "Backslider, do you hear?

Be in time, be in time! Backslider, do you hear? Be in time: Your sinful course torsake. Yourself to prayer betake ; Your deathless soul's at stake: Be in time, be in time! Your deathless soul's at stake :

"Should you the work delay, You're undone, you're undone! Should you the work delay, You're undone; Should you the work delay, And squander life away ; Death will be a solemn day : Be in time, be in time! Death will be a solemu day: Be in time !

" Oh! should the door be shut When you come, when you come! Oh! should the door be shut When you come: Should GoD in anger say, Depart from ME away: It will be to late to pray: Be in time, be in time! It will be to late to pray: Be in time!

"The Gospel train's at hand, Be in time, be in time! The Gospel train's at hand, Be in time: Behold your station there, JESUS has paid your fare; Let all engage in prayer: Be in time, be in time! Let's all engage in prayer: Be in time!"

The aged singer's hands were freckled, and "lank and brown," and rough, and seamed with ped so severely." He will not pray for me." toil. He said they had "ministered unto his said the nusoand. Then send for him without necessities," and to those which were with him; delay, for I cannot live as I am." said the hasfor he had a family, but by the blessings of Gop, band. Cuff was sent for; he came, sore and he was able to work still. He was a shoemaker, bleeding, expecting more ill-usage, when, to he said; he had suffered much from illness; but his great astonishment, he found his cruel humble as was his occupation, he had had, while master bowed upon the floor of his room, and sitting upon his bench, visions of a "better land," crying to Heaven for mercy, where they should no more say, "I am sick," and tears stood in many an eye. One thing more s worthy of note, "in connection." Just as the last verse was being sung,

" The Gospel train's at hand, Be in time, be in time!"

afar off, on the level space that stretched toward the Ramapo Hills, came rushing on a long train upon the New York and Erie Rail-road, and the thrill whistle of the locomotive, softened by the distance, echoed subduedly through the Camp. The effect was most striking.

## Slavery in America.

My Jobston in his recently published Book on America, gves his vews on the Slavery question with some illustrations of the practical working of the system.

The following is one of the most affecting twelve or thirteen years old, became impresscases of the sort upon record:

tian graces among his brethren. Being a fearing lest he should be doing wrong, came sept23 man of superior intelligence, he was selected and asked advice of a pious friend as to what to conduct religious services in the absence be ought to do-whether he should obey his to conduct religious services in the absence be ought to do-whether he should obey his of the minister; and in these he was wont to master, when he for bude him to attend the ept25 very depths of the souls of the congregation. The answer, of course, could be but on .-

If the politic States A. Market, Printersons & REED, Branche,

At the close of the first day's ap- enough to soften the heart of the ungodly pointed labour, he went in search of a place master; and it had such influence with him for private prayer, which he found in a thicket that he did not punish the boy at that time. of young trees near to his master's garden This was a truly brave boy I What bog and where he knelt and poured forth his even- who reads this will be as brave the next time ing cries to Heaven. While thus engaged, he is called upon to obey God rather than he was overheard by his youthful mistress, man? This is the sort of courage boys who was walking in the garden; and when want, -courage for God; not to fear any she heard him pray not only for himse'f but thing so long as we are pleasing and obeying also for his new "massa" and his new Him.

#### The Fugitive Slave.

A Canada Missionary gives the following incident in connection with an old coloured member of his church :-

morning for his labor in the field. On Mon-"We have one very old man who got day morning his master asked him where he away from slavery last fall. He says he has had been on the Sunday, when, not knowing been impresent three times for running he lafidel character of his owner, he replied, away, and been shot at three times, and been 'I have been to meetin', massa, and bless de whipped almost to death a great many times; but I believe him to be one of the jewels of "Juff," said his master, with an angry voice, the highest order. I was walking along the "you must quit praying; I will have none of road one day and saw a man standing astride it about this place." "Massa," said Cuff, of a small running water, with his back to "I will do anything you tell me dat I con do me, and his hat on the ground at his side but I must pray. My Massa in Heaven com- He was washing himself. I thought some manded me to do so." "But you shall quit one had his nose bleeding and was trying to it," said the master, " and you shall promise sop it by cooling his face and neck; but as now to do so, or I will whip you." "I can- I approached I heard a peculiar groan that I not do one or de oder, massa," said the knew was Uncle Harry's. I then approachslave. "Then follow me, you Obstinate ed slowly, for I knew he was praying He Negro," said the master, inflamed with pas- would dip up both hands full of water and sion, " and we will see whose authority is to bring them to his face and neck, and then say be obeyed.' The slave was led forth, strip- "O Lord, good Lord, do have mercy, do, dear ped of the few tattered garments that covered Master do, and make my poor heart clean," his person, was tied to a tree, when the infi- and then would again dip his hands and lave del master, full of anger, inflicted twenty five his neck and face and pray; and the great heavy strokes of the cowhide lash upon him tears would pour out from be ween his eyelids with his own hands. "Now, Cuff, 'said the (for they were closed so that he did not see master, " will you quit praying?" "No, me.) I stood quite near and secretly prayed massa," said the bleeding slave; "I will with him, and wept with him, and it was a pray to Jesus as long as I live." He gave glorious time, it seemed as if God was very him twenty-five lashes more, and that with near. At length the old man opened his terrible severity. " Now," said the monster eyes and saw me, and O, how he cried, he of cruelty, "you will quit praying, won't was tired of life, and "desiring to depart and you?" "No, massa," was the meek slave's be with Christ." reply; " me will pray while me live." On \_\_

DRESS-MAKING. THE most perfect system for CUTTING and PIT-TING Ladics' and Children's Dresses, is the

Provincial Ladies' Dress Scale. Which ent'rely does away with the necessity of Fir-ting on Taying On! The old methed of "Pinning on Lining," and refitting once or twice, always was and is harrassing to the Ladies; and oftentimes the most costly materials are utterly spoilt. And sga n, ladies, if their Dress-Makers are very busy, have to call again, or remain until the hurry is over, before they can be fitted, as it takes time to fit by pinning on, and cannot be hurried or slighted without making mis-fits. This is entirely obviated by the "Provincial La-dies" Dress Scale." With this a Lady's measure can Do. Soft Hars, in great variety of colour and shapes;
Gents. and Youths' Cloth Fur, and Plush Caps, of the most Fashionoble Styles.

A. A. B. SMITH, octl6

notwithstanding I have used many celebrated preparation
for restoration. Seeing your advertisement I was to for restoration. Seeing your advertisement I was indu-to give your article a trial, and to my utter astonishms found, after a few applications, that my hair became in set, and assumed a glossy and beautiful appearance; and the time I had used a quart bottle, my bald head was core over with a young and rigorous growth of hair, which is a from one to two inches in length, and growing fast.

Yours, truly,

HENRY GOODRICE

Gents:—Nothing but a duty and sympathy that I feel is communicate to others that are afflicted as I have been, won induce me to give this public acknowledgement of the benefit I have received from Prot. Wood's Hair Restorative When I first commenced using it, my hair was quite my and in spots entirely bald. I have now used the Restorative abc at five months, and my mair is entirely changed to its or ginal color, brown, and the new hair is over three inches a length on the spots where it was bald. I have also best much gratified at the healthy moisture and vigor of the law, which before was dry, and it has ceased to come out as femerly. Respectfully yours, &c., Mrs. R. A. STODBAED.

From Mrs. Ingalls, a well known nurse in Boston Boston Oct. 19th, 160 GENTS:—At your request, and being so highly pleased wn the effects of the Restorative, I am free to state that my had had become quite thin, and entirely wentre. I have for the last five years been in the habit of using dye, but hearing a the extraordinary effects of this article, I was induced into it. My hair has been restored to its original thickness, to also to its former color, which is light brown.

Yours respectfully, MES. INGALLS.

The following is from the Paster of the Orthe iox Che The following as from the Paster of the Orthe lox Cherk Brookfield.

Basserells. Mass. Jan. B. 186.

Prof. Wood-Dear Sir-Having made trial as your his Restorative, it gives me pleasant to say, that its affects have been excellent in removing inflammation, dandruff, and a constant tendency to itching, with which I have been too bled from my childhood, and has also rectored the law which was becoming gray, to its original color. I have use mo other article, with anything like the same pleasure in profit.

Yours, truly,

Yours, truly,

Yours, truly,

What is it road—This Wood's Have Reproactive being question asked daily by hundreds. We answer without his aution or fear of contradiction, that it is the only atter known which will do all it promises for the human has will renew its growth—it will stop its falling—it will restor its untural color? It is not a Hair Dye, but a speedy an esticacious Restorative

R. KENNEDY, of Roxbury, Mass., has dis ed in one of our common pasture we that cures EVERY KIND OF HUMOUR, Scrofula down to a common Pimple. He has eleven hundred cases and never failed exact the common than the common that the common than the common that the common than the common that the common that the c

Two bottles are warranted to cure running of the easts

Two to three bottles are warranted to cure the most is perate case of rheumatism.

Three to four bottles are warranted to cure the sa tries. Fve to 5 hottless will cure the worst case of scrofula. A benefit is always experienced from the first bottle asis perfect cure is warranted when the above quantity is take. Reader, I peddied over a thousand bottles of this in vicinity of Boston. I know the effect of it in every case. It sure as water will extinguish fire so sure will tais cure is mor. I never sold a bottle of it but that sold another the atrial it always speaks for itself. There are two that about this herb that appears to me surprissing; first, the grows in our pastures, in some places quite plentiful, andre its value has never been known until I discovered it in 8—second, that it should cure all kinds of humor.

In order to give some idea of the sudden rise and ges opularity of the discovery, I will state that in April, 181. Some of the wholeanle Druggists who have been in too need to the wholeanle Druggists who have been in too ness twenty and thirty years, say that nothing in the anal of patient medicines was ever like it. There is a universe praise of it from all quarters.

In my own practice I always kept it strictly for bunker but since its introduction as a general family medicine, pw and wonderful virtues have been found in it that I never a pected.

Several cases of epileptic fits—a disease which was always.

with maindy—there are but few who have seen mored han I have.

I know of several cases of Bropsy, all of them aged peopared by it. For the various diseases of the Liver, a fleadache, Dyspepsia, Asthma, Fever and Ague, Pass it side, Diseases of the Spine, and particularly in disease the Kidneys, &c., the discovery has done more good and provided and provided the provi the Kidneys, &c., thown.

Any medicine ever known.

No change of diet ever necessary. Eat the best you and enough of it.

Directions you Use.—Adults, one table spoonful pet of Children over ten years a dessert spoonful. Children for five to eight years, a ten spoonful. As no directions on applicable to all constitutions, take sufficient to operate the bowels twice a day.
