er last. A tits in uguration, the Inspector six have schools stated that a lesson from the Bible tah, Caliald be given every morning in the School. mediately the Executive Council met, and employed clared that no book should be used but those Wheeler lowed by the Board of Education. The ble was forbidden. Mark this! It shows y) having e meaning of that law as interpreted by the

ouncil, and by the great majority of the criptures with the Schools in the Coun ry. 3. The Romish Bishop, encouraged by past is named.

necess, now declared that the Schools must s of more " godless," if the Catholics are to be satisfied. The Protestants are at length aroused. sary of the

A memorial is presented to the Board of Edu-Not becation, signed by many Protestant Ministers t wait till in behalf of their people, requesting that the Bible would not be exc'uded from the Schools. No satislaction is obtained. The country red of the Ministers are summoned to the great meeting they have of February 13th. The Country is agitated . Manyl from end to end. Opposition is now seen to n the effect be useless. The Protestants must be appeasthose whe ed in some way. The Board, at the eleventh hour-on February 25 h-declares that the epresentel advocated Bible is permitted in the common Schools .--

be proved This allays the excitement. 4. But as this rule may be rescinded at " it yet m any hour, and as it does not reach the Nortly blessel mal School Academy, the latter not being under their control, the Protestants petition that a clause may be inserted in the Education Act, ratifying the action or rule lately adopted by the Board, and extending the same to the Normal School and Academy. Their petitions were rejected by the majority of the

5. In justice to the Board of Education, it should be stated that, latterly a proposal was adopted, recommending a daily Bible lesson al Gazza in the Norman School. It was disallowed by the Council. In the meantime the Romanists are grathed; and the Protestant chi dren put off with the name of moral training in the form of one lesson on one evening of the week, after les Fiste Cilley, En the school is dismissed .- Protector.

A correspondent in P. E. Island writes :-The Protestant Ministers here acted so unitedly and nobly last winter, that the Papists are terrified and are now very quiet. Since the excellent Superintendent of schools, Mr Stark ot all the Schools within their parishes-visiting them regularly, and seeing to it that the
