

This very establishment might be called respectable in comparison with many others as near the mission.

These are the most prominent events of the year presenting themselves to my memory connected with our material affairs.

Rome and the Bible Societies. It is not often that we can treat our readers to a piece of composition like the following from the pen of Dr. Cahill, on the English Bible Societies.

By merely assuming their Courts of Assize, and liberating to themselves the father and mother for killing the children for the sake of material security...

short signed Catholics in the original thought they could split with and work off all the Protestants and Unitarians in their...

The following correspondence, although written on the last day of 1856, did not reach us until Monday last, being nearly six days in the transmission.

Canada Correspondence.

The following very excellent letter from our Canada Correspondent, although written on the last day of 1856, did not reach us until Monday last, being nearly six days in the transmission.

The Intelligencer.

SAINT JOHN, N. B., JAN. 30, 1857.

SPECIAL NOTICES. All business letters for the Religious Intelligencer should be directed to E. J. Cahill.

Education.

"Boarding Schools," and Teachers Salaries. In our last we promised to resume our remarks on the subject of education...
