DRESS-MAKING.

THE most perfect system of CUTTING and FITTING Ladies' and Children's Dresses of all **Provincial Ladies' Dress** **Se**

What entirely does away with the necessity of TRYING ON TRYING OUT. The old method of cutting and fitting, and redressing, is a tedious and is harassing to the Ladies; and expensive most costly materials are utterly spoiled. And ladies, if they do not make a dress, they can have one made, or remade until the hurry is over they can be fitted, as it takes time to fit by the

dis- Press-Sale. With this a Lady's mea-
be taken in less than two minutes. She has
her brother: her dress can be made and sent
fitting perfectly. And why not? A gentleman
to a Tailor and leave his measure for a coat;—
not a lady leave her measure for a dress with a
Maker? The gentleman does not sit on his Co-
it is wasted to see where it should be altered
should a Lady sit on her dress for that purpose
reason whatever; if the "Provincial Ladies"
Sizing" is used. By it all size fits, and variations
possible (providing the directions are followed
as it is a simple, scientific rule, easily learned
one hour!

Agents Wanted! in all parts of the P.
Persons who have learned the "Am. Lady's
Charts System," can teach this. Agents sup-
the most liberal terms. DAWSON, MORGANSON,
