Gents :-Nothing but a duty and sympathy that I feel to communicate to others that are afflicted as I have been, would ean rolled communicate to others that are afflicted as I have been, would induce me to give this public acknowledgement of the bene-fit I have received from Prof. Wood's Hair Restorative When I first commenced using it, my hair was quite gray, and in spots entirely bald. I have now used the Restorative about five months, and my hair is entirely changed to its or-ginal color, brown, and the new hair is over three inches is length on the spots where it was baid.
