(By Telegraph to the News Room.)

FRIDAY March 12 The House wa principally engaged th orning in the transaction of routine bu ent on the Scrutiny Committe, the business of which body has progressed rapidly, for the two days. At 121 o'c ock the counsel for the sitting member, Mr. Williston, was deliv ering the closing address. The Committee will report this evening or tomorrow. Mr. C. Perley introduced a Bill to impose tax on the widerness lands of the Pro-

Several petitions were presented relative to he establishment of separate Schools, simiar to those presented yesterday.

The College Bill was again recommitted and amended. The first of Febuary is fixed as the time for the Bill to go, into operation The School Bill was committed in the afternoon, Mr. Gilbert in the chair. The Attorney General spoke for upwards of an hour in explanation of the provisions of the Bill, when progress was reported.

His excellency the Lieut. Governor came down to the Council Chamber at 4 o'c'ock and assented to several Bills.

An animated debate took place in the House on the motion for an address submitted by Mr. Gray asking for further information on the subject of the Desbarres claim. The motion was debated with spirit pro and con and decided in the negative, by a vote of 22 to 18. Mitchell, Tibbits, Steadman, and Mc-Millan voted with the opposition, and Read' and End with the Government.

Proposal Baptist

The Atty. General replied to the Railway questions put by Mr. McIntosh, to the effect duce any new Bill this session, nor proceed instruction for Farmers, Gardeners, &c. with Railway extensions at present.

March 13. After the reading of the Journals the House resolved itself into Committee of the whole and passed a Bill to amend the Act relating to highways. Mr. Chandler, Chairman of the charges preferred by the petitioning Candidate are not sustained, and is favorable to the sitting member, Mr. Williston.

Mr. Gilbert introduced a Bill to amend the Act relating to the sale of Spirituous Li

At 12 o'clock the Attorney General moved that the House go again into consideration of the School Bill. Motion opposed by Mr. Gray and others, and rejected by one majori-

Mr. Gray introduced a Bill to afford reliet to wives and children deserted by their Hus-A bill to Incorporate the Victoria Suspen-

sion Bridge Company was committed. It was opposed by most of the members for the City and County of St. John. Supported by Tilley and Gilmour. Progress reported House adjourned at 4.

FREDERICTON, March 15. Progress was reported on Mr Chandler's Bill to abolish Imprisonment for Debt. 'I he eeling of the House is in favour of the Bill. The Secretary laid before the House the Report of the Board of Health of St. John Another long discussion on Mr. Williston's Disqualification Bill.

Mr. Mitchell proposed an amendment, t the effect that all persons engaged in the dissursement of public monies should be excluded from becoming members of the Assembly. The ammendment was lost only 4 voting for it. The Bill finally passed with sundry amendments.

The School Bill was taken up in the afternoon. The first section passed without opposition. The salary of the Superintenent was fixed at £300, and of his clerk at £150.

To the 2nd section Mr. Allen moved an mendment, which he finally withdrew, and

The 3rd section relative to changing the number of Inspectors, was opposed by Mc-Adam, M'Phelim, and others, and supported by Wilmot and Gilmour. Progress re-

Mr. Gray gave notice of his intention to move a resolution to the effect that Government should have specific days of the wee! for discussing their measures-

There is a disposition to get through the business as rapidly as possible. The Postmaster General applied for leave of absence for a few days.

TUESDAY, March 16, A long discussion took place on the motion

to add a suspending clause to the disqualifica-

Motion was strenuously opposed by Mr. rance of Michell, but finally prevailed. Progress was reported on a bill to amend he Act relating to Muncipalities.

A resolution submitted by Mr. C. Perley to he statue mpose a tax on wild lands, for the purpose of making and improving woods, passed without a division. is expec-

The consideration of the School Bill was been enresumed. Mr. Botsford proposed an amendment to the 3rd section to the effect that he same number of Inspectors, 14, should be thargeric continued as at present.

ffriends Oaly 3 members voted for this. Original ugh's lecection then passed. Salary fixed at £250. Mr. Gray moved an amendment to the 4th section to the effect that the City of St. John should be divided into 4, instead of 2 Parishes. Motion lost, only 4 members voting for it, dvocated. ection then passed entire, when progress

BOARD OF MANAGERS.

to highways. Mr. Chandler, Chairman of the Northumberland contested election Committee submitted a Report signed by all the members. The Report affirms that the several bers. The Report affirms that the several bers.

RESOLVED, That the accounts submitted to us by examination of them we are satisfied that he has discharged his duty faithfully as our financial agent.

Vored, That the following Circular be published in

CIRCULAR

To our Subscribers and Friends. This paper has been in existence over five years .in a house in Kingstreet, said to be owned by Mr. Thompson, which was consumed.

The New Brunswick and Canada Railway and Land Company have received another grant of 30,000 acres of land from the Govthe payment of subscriptions, have embarrased our finances, and involved us under liabilities which remore in May .- This will make a total of quire and must have an early settlement. From an examination of our accounts we find there is now due O,000 acres obtained within twelve months. from subscribers the large sum of £760, which is scattered throughout the two Provinces. We have therefore directed that bills be forwarded to all persons inlebted for this paper, and we earnestly solicit their immediate payment. We also ask from the friends of our denomination and religion generally, there forbearance and liberality in our effort to relieve our Nova Scotia.—The Elective Legislative Council Bill has been withdrawn by the Attorney General (Johnston.) It was carried nevertheless in great need of surther contributions in by the casing vote of the Chairman; but the Government deemed it best to abandon it, when only a majority of one, in a House of 53 members, supported it.

herertheless in great need of further contributions in order te our relief. It becomes our duty also to state that the present price of the Intelligencer is insufficient to support it under any circumstances, and we are confident that our G. Conference must raise the price of subscription to 7s. 6d., and in all cases to have payment in advance, or abandon its publication entirely.

JAMES LAKE, Chairman. WM. PETERS, Secretary.

Whereas, The annual expense for printing Minutes of our Conference is very considerable, and it is desirous that each church wishing to receive Minutes contribute toward this expense; Therefore

Resolved, That the churches wishing Minutes of our next Conference forward to B. J. Underhill, or to the Chairman of Conference funds toward defraying the expenses of printing. They will be sent to churches or individuals at the rate of one dozen for every dollar forwarded.

*** The accounts submitted by the Agent are now lying at the Book Store, and may be seen by brethren nterested, who may also obtain at the same place such information as they may require.

JAMES LAKE, Ch urman.

WM. PETERS, Secretary.

Elder S. Hartt's Agency.

Our brethren will remember that at the special business meeting held at Hampstead in Januarya resolution was passed relative to Brother Hartt's agency and de-Ship Sales.—We are glad to notice by Munn's Circular that the prices of shipping are advancing on the other side. We see that the the title that the prices of shipping are advancing on the other side. We see that the title title that the title ti that the "Elizabeth," built in New Bruns wick in 1840, and 876 tons N. M. was sold for £2000. The "Marmora," built in St. John in 1857 to class 7 years, 1046 tons N. M. and iron strapped, brought £7 16s 3d. And the "Forganhall" likewise built here in the strapped and spiritual as well as might be expected. I am now visiting around among the churches, particularly relative to the business of my agency I first to my heing releases from specing all my time. 1857, of the same class, of 1064 tons O M. and 1089 N. M iron strapped, and cahin finished, was sold for £8000 serling nett cash. pecting me to labour in a different way, and hence The two last sales indicate a decided improvement in the price of tonage; and the list of hips, to many of them are but of small size as sold according to the circular, we quote the process of the proc from, in the four weeks preceding its date, work, and actually engage in the business of raising (Feb, 26) shows by its largeness that the de-Our churches and friends will now understand we trust the position of Brother Hartt.

OLD! GOLD! GOLD! Health! Health Health! Health!—Which will you Choose.—The above is a serious question to answer. Gold is the God of the world, It is to be feared there are many men who would risk their health and even their lives. to procure it. How very few there are who take care of that better gift of God—good health To such I would say, learn wisdom from the things you have suffered. If you are afflicted with dyspepsia, or Liver Complaint, be assured it will terminate in consumptions of the state of the sufficient of the existence. "A word to the wise is enough." Now to the monthly report—Mr. James Hanlon, St. John—Disease an affection of the lungs, two years standing; Mr Delap's boy, disease, Deafness, residence, Gran-vill, N.S.; Mr Robert Payne, St. John, strain in his side, which caused spitting of bood; Mr. Alexander Elder, St. John, strain in the Loins, of several years standing, caused by a fall. Dr. Leary's Office, No.

77, Princess-street, St. John.

Having procured two boxes of Fellows' Worm Lozenges, from Miles & Wood, Bend, N. B., and given them to three of my children, I was surprised at the effects of them; in fact I cannot describe the number of Worms that came from the children; it would surprise any body.

JAMES SPENCE, Travelling Agent for Sears' Pictorial, New York. Fellows' Worm Lozenges are sold by all Apothecaries.

MASONIC APRONS .- Just received, a few of tion of the Grand Lodge of England, jan 21 THOMAS R. JONES. DREPARED WAX.-Coloured and prepared for Making Flowers. Just received at GUILFORD S. REED'S,

8. Germain Streets. A SUPERIOR AND GENUINE VEGETABLE COUGH CANDY H. Y. MACER'S Vegetable COUGH CANDY, for curing Caughs, Colds, Croup, Irritation of the Throat, A thms, and is particularly calculated to relieve the Whooping Cough, and all complaints tending to Consumption sumption.

It is particularly recommended to the attention of Public spoakers, singers and all persons who use the voice freely. Its efficacy for Charing the Voice is truly astenishing!

There has been so much practiced under the pretence of furnishing the public with superior medicines that the inventer of a Genuine Article only begs that each one would try for himself, for society demands that

Good Medicines

should be made public. Even those which do possess some virtue are held at such exerbitant prices that they do not come within reach of the poor; while they, above all, are the most liable to suffer from the consequence of neglect and exposure

Cxposure

Do not the poor suffer daily? It is true they do, for the want of a medicine which they are unable to purchase.—
The proprietor of the Vegetable Cough Candy has obviated this difficulty by inventing a Medicine compounded of twenty-nine different ingredients, extracted from the Vegetable Kingdom, and sold at a price which will place it within the reach of all. It is well known that many ingredients when used singly are inefficacious, but when combined with others are highly salutary.

Macer's Vegetable Cough Candy contains the most essential ingredients of which other

contains the most essential ingredients of which other Cough Candies are composed, with several additional kinds, the combined power of which is sufficient to heal, in part, every malady to which the human system is liable (which does not require the aid of a surgeon,) if attended to in season. which does not require the aid of a surgeon,) it attended to in season.

The numerous ingredients composing this Candy have been recommended by many physicians of eminence, some of whom are among the most celebrated in the United States. The pleasantness of this medicine gives it an advantage over others, while it is unnecessary to use any persuasion to induce children to use it.
