Scott, Cortland Co., N. Y., March 21st, 1857.

Dr. C. M. Jackson. Dear Sir:—In behalf of the afflicted, I pen a few lines to you. I have suffere I and doctored myself, and know how to pity those in a like condition. Until I commenced taking your Bitters last summer, I was not able to do any thing, or even to sit up any considerable length of time. Before I had taken the first bottle I felt like a new man, and now, after having continued the use of them a short time, in the worst season of the year, I am able to labor hard every day. To say the least, I think I have received more benefit from the Bitters, than all other medicines I have taken. I have not only used your Bitters myself, but have given bottles and parts of bottles to those complaining of Dyspepsia and Liver Complaint, and in every case, they tell me they have taken no medicine so beneficial as the Bitters.

Respectfully yours,
