St. John, N. B., March, 1856.
Messrs. FELLOWS & CO. This is to certify that my little boy, aged six years, having been much troubled with worms, of late, I administered four of your Worm Lozenges, as per directions, and in nine hours after he passed several large worms. These Lozenges are particularly valuable, as the children are fond of them. You are at liberty to use this for the benefit of others.
MATTHEW HARRISON.

St. John, N. B., March 10, 1856.
Messrs. FELLOWS & CO. I divided the box of Worm Lozenges I bought of you amongst four of my children, and from what I can judge, about Two Hundred Worms were passed by them. One child passed nearly HALF that number!
I am, &c.,
JAMES T. DAVIE,
Parish of Springfield.

FELLOWS' WORM LOZENGES ARE SOLD BY ALL APOTHECARIES.

GOLD! GOLD! GOLD! Health! Health! Health! Who will take notice of the above is a serious question to answer. Gold is the God of the world. It is to be feared there are many men who would risk their health and even their lives to procure it. How very few there are who take care of that better gift of God—good health. To such I would say, learn wisdom from the things you have suffered. If you are afflicted with dyspepsia, or Liver Complaint, be assured it will terminate in consumption or some other malady that will terminate your existence. "A word to the wise is enough." Now to the most worthy—Mr. James Hamilton, 8, John's-street, the box of your Lozenges, two of which he took; Mr. Delap's office, Deafness, residence, Grandville, N. S.; Mr. Robert Payne, St. John, strain in his side, which caused him to quit the office of Mr. Alexander Elder, St. John, strain in the Loins, of several years standing, caused by a fall. Dr. Leary's Office, No. 77, Princess-street, St. John.
