Change of their hair. CHARLES CARDEW. NEW YORK, July 25, 1857. PROF. O. J. Wood : With confidence do I recommend youn Hair Restorative, as being the most efficacious article I every saw. Since using your Hair Restorative any hair and whiskers were almost white have gradually grown dark; and I now feel confident that a few more applications will restore them to their natural color. It also has relieved me of all dandruff and unpleasant itching, so common among persons who perspire freely. PROF. Wood-About two years ago my hair commenced falling off and truning gray : I was fast becoming bald and had tried many Remedies to no effect. I commenced using your Hair Restorative in January last. A few ap-plications fastened iny hair firmly. It began to fill up, grow out, and turned back to its former color, (black.) At this time it is fully restored to its original color, health, and ap-pearance, and I cheerfully recommend its us to tal. Chicago, 11., May 1 1857.
