There was an inexpressible beauty in the quiet smile which usually light d'up his face ou such occasions. But the grand character's. tic of Havelock was, the deep religious feeling and conviction which animated and direct ed all his thoughts, emotions, and actions. Religion was the basis of his character; all his principles were rooted in it; all his actions emanated from it. There was as little of display in his disclarge of religious duties as his other actions, but there was an utter abscence of concealment. His life may truly be said to have been one long hymn of praise to his Creator. Every one who came into contact with Havelock felt that he was sincere; and even those least acce-sible to devotional sentiment, sympathised with and

The Ladies! The Ladies! The Ladies! It is a well established fact, that fully one half of the female portion of our population, are seldom in the enjoyment of good health, or to use their own expression 'never feel well.' They are languid, devoid of all energy, extremely nervous, and have no appetite. To this class of invalid, the Hoofland's German Bitters are especially recommended. Their peculiar tonic invigorating properties render them invaluable in such cases. READ THE TESTIMONY. F. M. CHALFANT SAVS:

Morgantown, Va., Sept. 25, I855.

Ship me immediately 12 dozen German Bitters, and I assure you no medicine that I sell gives such general satisfaction the demand for it being beyond all precedent. It affords me pleasure to sell a medicine so satisfactory to all. Our physicians no longer scout at it, but are compelled to acknowledge its intrinsic value, and the greater part of them have had magnanimity of soul sufficient to lay aside their prejudicas and prescribe at in their practice.

St. Hyacinthe, Canada E., Aug. 21, 1866.

Messrs. Seth W. Fowle & Co. Gentlemen:—Several months since a little daughter of mine, ten years of age, was taken with Whooping Cough in a very aggravated form, and nothing we could do for her seemed in any way to relieve her suffering. We at length decided to try a bottle of your Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced using it, she was greatly relieved, and in less than three days was entirely cure l, and is now well. I have since recommended the Baisam to many of my neighbors, who have used it, and in no case have I known it fail of effecting a speedy cure.

You are at liberty to make any use of the above you think proper. If it shall induce any body to use your Balsam I shall be glad, for I have great confidence in it.

KING'S COUNTY, N. B., Nov. 23. 1867.

MR. TEEPLEMAN, SIR,—I have been, for several years under a decline, and have taken one bottle of your medicine, and have found great relief from it, both in the help of my appetite, and rest at night, though I did not give it as fair a trial as lought.

Yours, &c.,

JARED BOSTWICK

Mr. T. A. Templeman, Dear sir.—I take pleasure in ac knowledging the benefit your Pills have been to me. I was afflicted with what the physicians call billiousness, for ti ree years; I tried all the medicines which are recommended for thpt disease, and employed several of our eminent physicians, sometimes having three to attend me at once, but neither the medicine nor the skill of the physicians had any effect on my disease, and I was pronounced pas' recovery, and indeed at times my friends supposed I was dying; my life was enirely despaired of; but as a last remedy I was persuaded to try your Indian Pills. I commenced using them according to directions, and after taking a few doses, was much relieved; and finding my strength increasing, continued using them until I had taken about two boxes, when I was perfectly cured, since which time I hive had good health. I shall always remember your Indian Pills as having been the means of sparing my life.

Respectfully yours, E. SERENOCOLDWELL The above medicines can be obtained of W. F. Browner Indiantown; A. N. Peters 110 Union Street next to Plag lar's Hotel, or of the Subscriber.
