second place we believe that Mr. Marshall's amendment, providing that the law shall not be put in force unless a majority of all the votes polled for members be in favour of it, finishes the Bill. The system of referring such laws b.ck also a viclent assault by the Catholics on the to the people in a most objectionable and unconstitutional one. On the whole we believe the Bill will result in nothing good. Mr. Chambers moved that the balloting clause be excluded .tantism has triumphed! Of the thirty members The Speaker moved that the vote on the Bill should be taken after the General Election. Mr. Parker moved that the law come into opertion next November. Dr. Tupper moved that "eider" be struck out of the Bill; all those n ot ons were

force in el

town Protestants were slow to enter the straggle, and their brethren from the country were few in number. But their spirit rose, however unused to deeds of blood, when they saw harmless Protestan's from the country lie prostrate and stained with their own blood. One after another, according to his natural courage, joined the fight, and the tide was turned upon the Irish, who now tell on every hand. By this time,

the Sheriff, the City Marshall, policemen, and the priest were in the midst of the fight endea- Produce and Provisions unchanged. vouring to seize the stakes and clubs. It was in time. A few minutes more, and pistols and revolvers would must likely have 'ended the affrav with serious loss of life. It is scarcely possible to tell how many are wounded. -Scarcely one on either side escaped without a blow. Many

trated by a blow from behind, and then pounced ! said to be a precentor in the Free Church, treacherous ons t.--- One Protestant was seen to !

own share throughout the struggle. On the day of election a row was also attempt ed, but the Protestants were fully armed and prepared, and the rioters were compelled to keep safe Protestaut hands, else the worst consequences might ensue. Your New Brunswick Orangemen would have been delighted to see

the vast procession that marched through and through the city on Wednesday last. It was gall and wormwood to the rioters who had no wish to hear the shrill notes of the pibroch sounding far and wide, "The Campbells are coming.'

LOSS OF THREE THOUSAND LAVES .-- Near 'l'aganrog, on the Sea of Azoff, a catastrophe ocsrs. R Collins, J. Hooper, and R. D. carred, about the beginning of February, which ir for Councillor. In Guy's Alderman involved a loss of life unparalleled except by e was opposed by Mr. Peters-and late memorable earthquakes or volcanic oruptions. It appears that some three thousand inhabitants of Taganrog, relying upon the promise of fair weather made by the genial atmosphere and the cloudless sky, proceeded to the Azoff Sea t) indulge in the sport of fishing beneath the ice- a favorite passime of that region. The atmosphere continuing serene, the party were lulled into a feeling of security, and ventured further than usual upon the ice, in the hope of obtaining a good haul. Suddenly a breeze sprung up from the east, which, growing boisterous by degrees, whirled the loose snow and fine particles of ice ead to the adjoining building, owned by in all directions, and before long, succeeded in er, and occupied by Mr. John Armstrong detaching the ice from the shore. The large y store and dwelling house, the former ice-field then broke into numerous pieces, which, was nearly burned to the ground, and with their terrified and helpless human freight, r completely gutted. Mr. Armstrong's drifted towards the open sea. No assistance daughter of William and Lucy Kimble, in the t have been heavy, as he was not insured. could be rendered the unhappy beings by their 35th year of her age. She has left a husband, no doubt but the fire was the work of frantic relatives and triends on shore, and within eleven children, and a large circle of relations to

the city.—On every hand the blows fell heavy speculation and of political maneuvering. The and fierce... it was a death struggle. Irishmen Russian troops were besieging Shamyl's Captial. and Scotchinen were stretched on the ground, Mr. Preston, our Ambassador, had a private auand speedily carried away by their friends. #### Persecution in France.

"The report of a recent trial in France of a man for lending a book to his neighbor, shews the petty persecutions to which Pro- tions, and yield to the motion of the body. Being Irishmen were frictured in such a way as to destants are subjected in that country, and porous, all impure excretions pass off, and they canleave little hepe of the recovery of some of how little personal liberty is really enjoyed not become offensive, hence can be worn four times them .- Some of them suffered severely, one there. It appeared that two neighbors -- a man at times sustaining the attack of several Protestant and a Roman Catholic-happened foes. In one family-McKenzie's-three bro- to fall into conversation on the worship of threes were badly wounded-one of them pros- images, which the Protestant condemned, upon by four Papists. One old man, a McLeod, and made use of certain arguments, which he satd he had derived from a book he poss-Scotch Set lement, was severely cut and wound- essed at home. His Roman Catholic neigh- our Signa ure. ed in the back of the head by some murderous bor expressed a wish to see the book, and the b'ow .- But these details are harrowing. I shall Projestant promised to lend it to him. Some not enter further upon them. If their wounded days elapsed without their meeting again, friends were counted, it would be seen that they when the Protestant, who was carrying the book in his pocket, met the daughter of his knock down four Pap'sts in succession, and then | Catholic friend, and gave her the book, with pushed the priest away that attempted to take a request that she would give it to her father. the stick out of his hand, telling him that he The girl, however, gave it to her mother, and would give it to him when he was done with it. the mother took it to the priest. He on his One noted Irish bravo was seen to receive a part alarmed at its hereiical tendency, laid crash upon his head from a short weapon, that it before the magistrate ; and the Pro'estant, These are specimens. This account is from to his own great surprise, was summoned be-the lips of one who was in the fight from first to fore the court for violating the Licensed last-who helped to carry off the Belfast Pro- Hawkers' Act, and disposing of books withtestant that was first knocked down, and had his out a license. In vain his counsel pleaded that the law in question was never intended to apply to simple loan of a book to a neighbor; the provincial magistrate found him perfectly quiet. Those who did not do so were guilty, and sentenced him to a fine and imtaken up and heavily fined. Their appearance prisonment. We can hardly suppose that a on leaving court was impressive; one of them | sentence so flagrantly unjust will be a lowed in rage declared that they were now in the pow- to stand. But what must be the state of sor of " bloodhounds." The city Government is in ciety where such a sentence can be pronounced even in a court of primary resort ?"

> This may certify that I have used Perry Davis' Pain Killer in numerous cases, and believe it to be a very valuable medicine. I have prescribed it extensively in bowed complaints, (particularly for children,) and it is in my opinion superior to any preparation I have ever used for the relief of those d seases.
