On the reading of the first clause of the Representation Bill Mr. Annand called the attention of the Atty. The hon. Atty. General and Prov. After some remarks from other gentlemen, the

matter dropped for the present. Hos Mr. Young moved the following resolu-

LEGISLATIVE COUNCIL. The following resolution was moved by the Hon. Mr. McCully on Monday last :-

Whereas by returns furnished by the Government and now lying upon the tables of this house, it manifestly appears that during the year 1858, Provincial Debentures to a large amount have been disposed of by the Receiver General to parties in Nova Scotia at par, or at small rates of Premium, when such Debentures at the same times in the London Market were realizing large Premiums, whereby serious loss has re-

sulted to this Province; Resolved, as the opinion of this House, that Provincial Debentures for sale in Nova Scotia should be disposed of, so as to realize the greatest possible amount therefrom, and that they posed of by tender to the highest and best pur .

It is a matter deeply to be regretted that the Receiver General should have been so ignorant o: his duty as to dispose of Provincial Debentures here at a rate so low as to involve the Prowe cannot see how it is possible for him to es-

This certainly makes a very strong and damaging case against the Government. We are not aware that any similar transaction can be pointed out in provincial history.
