cher in Nnw Brunswick himself.

News of the Week.

IR. MATURIN .- Our readers are aware that gentleman whose name is at the head of this cle was formerly an Episcopal Minister at ax, but a few months since became a perto Rome. He has been on a visit to this and delivered two lectures in the Mechanics' itute on the reasons for his singular change in defence of Catholicism. A large aulecture; a much less number, we are told, present at the last, and the ex-Rev. genan utterly failed to produce any sensation. of our contemporaries who heard Mr. M.'s lecsure, very justly observes that, by his antism lost not much.

orted, and two or three deaths. We believe it ists in one family in Carleton.

THE WEATHER .- This whole week so far, been a continuous season of bright, dry, hot ther—the dryest and hottest of the summer. such weather as gladdens the farmer's hearts le they are gathering in the hay crop.

POTATO ROY .- We regret to learn that this gerous disease has made its appearance in separts of the country, and threatens to deby the potatoe crop beyond anything known for eral years.

GREAT CARGO.—The Schooner Digby, Capt. . Watt, brought to this place yesterday one he largest cargoes that ever came here in a ner. It consisted of 27 head of cattle, 200 100 barrels new potatoes, 500 boxes ked herrings, besides a number of barrels of and some dry fish. This fine vessel runs ularly between this place and Digby, N. S., while she continues to bring such cargoes we not want for provisions.

he large reduction which has been made in rates for the transmission of books by mail, essity of which we were alone in pointing ogether the low rates now required for the ige of circulars &c, will prove a great public The Postmaster General deserves public thanks for these and other improverecently announced .-- Canada and Nova tia now enjoy a money order system, though ormer has a very cheap system of registra--We hope to see a money order system es shed in this province, having relations with and, as we believe that of Canada has. - The Office department will also, we presume k it expedient to impose a rate of postage on rican papers equal to that which our papers bject in passing through the United States, what is charged on our our own circulars.e should be stamps of the proper value prefor use in prepaying circulars, in order to postmasters from unnecessary trouble and time. Exchange papers and periodicals, the United States and Canada, should go Colonial Presbyterian.

By Telegraph to the News Room.

THE CONFERENCE. Date for Zurich Conference not yet fixed, expected to meet in a few days. Count Colleredo, representative for Austria, reached Marseillies, 27th, and, it is said, proceeded direct to Zurich.

BRITAIN.

On the 28th, in the Commons, Lord John Russell made his statement relative to foreign fore the approaching close of the Session. He men is being formed at St. Maur, near Paris. was glad to see in the Monitcur that the Emperor of the French had determined to place his army and navy on a peace footing. . After reinterfere in the war, he did not think it was for of the neutral Powers.

The most important part of Treaty however related to Italy, and invitation of Empseor Na. government of State, und especially in provinpoleon to England to enter Congress was to consult on actual affairs of Italy, quite irrespective of terms of Peace of Villa Franca; England had until they saw what was the result of Conference at Zurich; Treaty of Villa Franca did not tary reforms are likewise projected. lay down absolutely an Italian Confederation, nce, chiefly Roman Catholics, attended the not only that the two Emperors would unite to promote one. He doubted the possibility or besuch project; again, England must know how Gallacia and Hungary. it was proposed to carry out the Treaty before joining Congress, especially with respect to restoration of Duchies of Tuscany and Modena, as vertion Romanism gained but little, and Pro- England could not be a party to forcing them on people without their free consent.

He rejoiced to say the King of Naples was be- in character of policy of Sardinia. SMALL Pox .- We learn that this disease is ginning to put an end to the system which prepresent very much on the increase in this | vailed under the late King, and sincerely desired | as possible development of great principles Something over twenty cases have been to terminate it altogether. There was a treaty which are the bases of public right. Minister about to be made at Vienna, whither a confiden- goes on to ask support in tranquilization of distial agent of the French Government had gone to arrange basis; he believed the Emperor of Austria desired that Italians should have self-

He would not say whether there would be a Congress, but he thought it would not become England now to say she would withdraw from such assembly, if there was a chance of promoting liberty in Italy, and establishing peace in pital.

D'Israeli expressed a wish that Russell had been more explicit, particularly as to any terms that may have been offered to Austria by neutral tion in which he remits the government to the powers. He reiterated his objection to England municipal members. The populace assembled in having anything to do with the Conference, as crowds and proclaimed the muncipality by acshe would thereby be bound by the Treaty of clamation-dictarors of the country. Chevalier Villa Franca.

less favorable than those obtained from France. The Government at the request of the French Ambassador, consented to be the channel of com-Austria, but at the same time distinctly stating and Florance. they were the views of the French Government, and that England gave no advice or opinion in the matter. It would be impossible for the Government to determine as to joining the Congress until the result of the Zurich Conference

was known. Mr. Whiteside said the Government had been made a catspaw of, and by transmitting the terms to Austria, virtually assented to them.

not to interfere between the executive in whatever measure it might find itself able to adopt for the Interest of Italy, and the permanent welfare of Europe.

On 29th in Commons, many questions were put to Government on the subject of Naval Armaments and National defences : l'almerston and Herbert said Government was fully alive to the importance of completing national defences, and promised vigorous action in the matter. Mr. Cobden deprecated the unnatural alarm

as an actual incentive to war, and ridiculed the idea of invasion by France. He hoped that exhad been made and tried, he would, if necessary, out the United States, and British Provinces. be ready to vote a hundred million pounds to provide a Navy superior to France; although he showed that England's Navy was greatly superior now.

Mr. Horsman's motion was rejected by 97 ma-

candor. The Post says, that general confidence FRANCE AND ENGLAND must be excited throughout Europe, and long and uninterrunted peace is to be hared for and uninterrupted peace is to be hoped for .-Prior to the announcement of a disarmament, the Paris correspondence was filled with conjectures as to the warlike designs of France, Italian Affairs More Hopeful !!! particularly in regard to England, and many absurd statements were made. One writer says, orders have been sent from Paris to expedite the departure of the French troops from Italy. Of the 120,000 men in the north of Italy, 60,000 are to be sent to Susa and Genoa by rail, at the rate of 3,500 per day. These are to be in Paris on or before August the 14th, and after the Emperor's fete, the Rhine is to be their destination, in order to show Germany the rapidity with which French troops can be moved from the scene of their victories in the South to fresh enaffairs. He would have postponed it if there had terprises in the North." It was still rumored heen any prospect of being able to announce a definite settlement of affairs on the Continent bethat the Emperor contemplated visiting London,

Vienna correspondent of Times says it was generally believed that deputation with Prince viewing the grounds of peace as proclaimed by the Emperors, he said that as England did not the remains of the Duke of Reichstadt to France. Correspondent of Independence Belgethus speaks her to interfere in the peace; the sacrifice of a of the project of reform entertained by Emperor Province by Austria did not affect the state of of Aus'ria-All provincial Councils of the Emaffairs in Europe sufficient to wirrant interference pire are to be convoked simultaneously, in order. to answer series of questions on amelioration which they may think necessary to the internal cial organization.

Don Sir .—In bringing my name before the public, I do it cheerfully, so that suffering humanity may derive benefit from the Angle saxon Medicine, as I am happy to say I have. After traine the most skillfully and happy to say I rupted peace is to be hoped for.

FRANCE.

The Moniteur of the 28th contains an official announcement that the Emperor has decided to place the Army and Navy on a peace footing without the least possible delay.

It from the Anglo saxon Medicine, as I am happy to say I have. After trying the most skillful physicians in the United States and this Province, as also the most celebrated remedies, Jonas Whitcomb's Remedy for Athsma included. The great difference between your renedy and all other remedies I have tried previous are as follows. The former medicines patitate the disease; the Anglo Saxon eradicates it. I wish a i who may be suffering from Asthma would avail themselves of so great a blessing. I remain, sir, with high esteem, yours, very truly.

[Vis.Pr.Alb.-1y] EDWARD BRACKET

Moniteur's announcement of the projected disarmament caused great excitement, and a rise of che per cent. on Bourse. This, however, was subsequently nearly half lost. Rentes closed on 29th at 68.45.

It is stated that as soon as the troops have returned to France and resumed their previous quarters, a great number of temporary furloughs will be granted, which will afterwards be made definitive for all those who have twelve or eighteen months to serve. The administration Princess-street, Saint John, June 17th, 1859.

19 A DISTRESSING COUGH CURED. DEAR SIR—A few weeks since I had a distressing (ough my throat was very sore and inflamed, and I procured a bottle of Perry Davis' Pain Killer of you, and it has entirely cured me. I have also seen it used in cases of toothache and ague in the face, with the most beneficial effects. I believe it to be an indespensible medicine, and shall recommend it to my acquaintance.

C. W. BANKS, LA PORT, Ind. This may certify, that my wife was for some time very auch afflicted with a violent cough, which reduced her so such that she was unable to enjoy a moments rest, day or ight, and by the use of one bottle of Perry Davis' Pain Kiler, she was entirely releved, and now enjoys good health.—
I consider it one of the best family medicines in use.

F. K. BELANGER, PERRYSB 'RGH, O.

Sold by druggists and all dealers in family medicines.

PALMER'S Celebrated Artificial Leg. This world renowned limb has been in use in Europe and America for upwards of twelve years, and every succeeding year serves only to increase its popularity. The "Great Prize Medal" was awarded to Dr. Palmer in London over thirty-five competitors from all parts of Europe, and in this country whereaward. Upwards of 'Four Thousand' of the Palmer award. Upwards of the length of the Imb is an inverted to the longest. The patient is enabled to walk immediately upon the application of the leg. The limb is an exact copy of its fellow, and the most cruical fail to distinguish it from nature. The limbs are very durable, yet so light as to be worn with great comfort. Palmer & Co. have sapplied upwards of fifty individuals with two legs each, all of whom walk with surprising naturalness. The recently invented 'artificial arm' is regarded as a complete triumph in the art. The public are cautioned against the circulars and advertisements of charletans and pretenders, who have recently entered the field, and are endeavoring to deceive by copying the invention and the indirect use of the Palmer reputation.

Persons requiring legs or arms, should apply to us, as the 'Palmer Leg' is the only one recommended by surgeons. rope and America for upwards of twelve years, and Persons requiring legs or arms, should apply to us, as the "Palmer Leg" is the only one recommended by suggeons and physicians. Pamphlets containing full information concerning the invention sent free to patients, surgeons and physicians, on application to PALMER & CO., No. 19 Green Street. Boston.

The "Religious Intelligencer" Reduction of Price! CLUBS! CLUBS!! CLUBS!!! A Religious Newspaper for every Family!

THE Proprietors of "THE RELIGIOUS INTEL-LIGENCER," desirous of furnishing every famiy in New Brunswick and Nova Scotia with a Sound, EVANGELICAL WEEKLY JOURNAL, FREE FROM SEC-TARIANISM; the first and great object of which is to defend and promote true Scriptural piety; have de-termined to place the subscription price of their paper at the lowest possible rate: and as an increase of subscribers only, can warrant a reduction in the terms, they have therefore resolved to offer large induce-

ments to Clubs. Single Copies as usual, per year, TO CLUBS: 5 Copies to one Office, 7s. each, 6s 6d each, 5s 6d do. We will write the name of each Subscriber on the Wrapper enclosing his paper, but the papers making

up a CLUB, must go to the same office The "Intelligencer" is published on Friday Morning, and is always despatched by the Mails closing on that day. The latest Foreign and Domestic News are always given, and all matters of general interest to City and Country readers are carefully selected and inserted. inserted. It is a WEEKLY NEWSPAPER, but contains in addition to the usual news, a large amount of Religious and other reading, the whole making from seventeen to eighteen columns each number. The Proprietors will spare no labour or pains in their power, to continue the "Intelligencer" a paper deserving the confidence and esteem of its patrons.
