It is said that recently he exhibited signs of insanity, and it is supposed that at the time he committed the rash act he was labouring under the aberation of mind .--Globe.

Statements from leading physicians to some of the prin-cipal cities, and from other well known public persons.

Labora. Lab ASA MORGRIDGE. As a Family Physic.

From Dr. E. W. Cartwright, New Orleans. Your Pilis are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

Headache, Sick Headache, Foul Stomach. From Dr. Edward Boyd, Baltimore.
Dear Bro. Ayer. I cannot answer you what complaints I have cured with your Pills better than to say all that we ever treat with a purgative medicine. I place great de-pendence on an effectual cathartic in my daily contest with disease, and believing as I do that your Pills afford us the best we have, I of course value them highly.
Dr. J. C. Ayer. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foal stomach, which they cleanse at once. Yours with great respect, ED. W. PREME, Clerk of Steamer Clarion.

Bulicus Disorders-Liver Complaints. From Dr. Theadore Bell, of New York City. Not only are your Pills adminably adapted to their pur-pose as an aperient, but I find their beneficial effects upon the Liver vary marked indeed. They have in my practice proved more effectual for the cure of billoss complaints than any one remedy I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people. DEPARTMENT OF the INTERIOR, (
