Prof. O. J. Wood—Dear Sir—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restoraoccasion to lay prejudice aside, and give your Hair Restorative a perfectest:—

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrific blow; causing a great deal of irritation, which communitated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could possibly think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to belive, produced a very happy result: two months after the first application. I had as beguttful a head of young hair as I ever saw, for I certainly owe you my most sincere thanks. Rest assured, dear sin, I shall recombined your remedy to all inquirers; moreover, I shall use my influence which I flatter myseli to say, is not a little.

You can publish this if you think proper.

Yours very respectfully, M. J. WRIGHT, M. D. Office of the Jeffersonian, Philippi, Va., Dec. 12th, 1858 Dear Sir—I feel it my duty as well as my pleasure to use as you think proper. A gentleman of this place, (a lawyer) has been bald ever since his early youth; so much so that he was compelled to wear a wig. He was induced very much; and after using some two or three boitles his hair grew out quite luxuriantly, and he now has a hand-

The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statzment; I give i to you at the request of Mr. Bradford. You could sell a grea deal of your Hair Restorative in this and the adjoining Yours, &c.,

THOMSON SURGHNOR.

Dr. Wood,—Dear Sir—Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficaciaus as well as agreeable.

The Restorative is put up in bottles of 3 sizes, viz: large medium, and small; the small below of the sound indeed the small test of the small below of the sound in the small test of the small below of the size of the small below of the small below.
