My family nearly all having diod of the disease, I hed given up all hope of recovery, as nothing gave me relief; but through the persuasion of a friend I was induced to try Dr Wistar's Balsam of Wild Cherry. The first bottle relieved me considerably, and the third bottle cured me entirely. I also had a sister in a more advanced state of the disease, having been conflued to her bed for over a year and promounced beyond hope by our best physicians. She also was entirely cured by the Wild Cherry, but it required six of oct4 eight bottles, and she still takes it occasionally as a preven-tive, being naturally weak chested. I would sine rely urge all who are similarly affected to try Dr. Wistar's Balsam of Wild Cserry, as I am satisfied that but for your own vajuable remedy my sister and myself would not now be living.
