CURIOUS DISC VERY .- A Corresponden to the Miramic i "colonial Time-," writing from You gal, gives an a count of a di covery by hi nsell of a giant human frame, in a place coil d Taker Point, It appears that Mr. Armstrong. the correspondent referred to dreamed one night of digging money in this place, and the next day set out with spade and pick-ax to rry the ground. After digging for a while, he struck a coffin in which were the remains of a human being of uncommonly large size measuring 8 feet 6 ir.cnes. There were neither clothes nor flesh in the coffin, but there were some old rusted implem- | City of Baltimore at Queenst wa same evenents of warfare, also, in a sealed earthenware irg. vessel, there was an old manuscript, written on parchment in some foreign language that he could not decipher.

MELANCHOLY DRATH. - We learn with much | in Cunard Mail line in December. regret that Mr. Frederck James, Car-builder. met with an accident in his workshop on Tuesday af ern on, which resulted in his death about 5 o'clock that evening. Mr. James had been assisting in laying a foundation for a steam-boiler, and one of the logs rolling from under him, he | Nov. 22. fell, and the steam-chest fell on his head, crushing it in such a manner that, from the first, there was no hopes of his recovery. Drs. Bay rd and Humphrey were in attendance, but their assistance was of no avail. Mr. James leaves a widow and three children. No man in this communi y had earned a higher reputation as an enterprising and honourable man, and his loss will be much felt.- News.

ACCIDENTS .- A little girl fell into a well in Brook's Ward on Monday, and was barely rescued in time to save her life. On the evening of the same day, a woman fell off the edge of the Mili Pond in Carleton, a distance of ten feet, upon some logs lying in the Pond. She was so severely broused that she was unable to prospects of people building up edifice of their | On Thursday, the 9th instanged 33 years, stand. In her ende vors to get out she crept towards the centre of the Pand, and as the tide was rising rapidly she would soon have been drowned, had not her moans attracted the attentuen of some passers by She gave ber name as McDonnel', but did not seem to know where she lived.
