r tens who did so before, and there is a meetg every night. How full of joy the persons are who have found peace! You would know hem on the streets. I believe the public-houses will soon be shut up. Two of them are so, and the owners of them have joined the Total Abstinence Society. More than one-half of the inhabits of the village have joined that Society. I none the Lord will work yet more gloriously. Let us mark how this awakening was preceded by the prayers of the godly. On the day when the seven o'clock next morning; and, after three nours' rest, the preacher was at work again, and undreds attended. An eye-witness writes :-The power of God came on men, women, and hildren, and hundreds were awakened." Three when his occupation was mentioned, when in agony about his soul, cried out, "I give it up." He went home and pulled down his signboard. He "confessed and showed his deeds." The honor of their country or the peace of Europe. reacher, finding that the place had been much iven to drunkenness, formed, a society and hun-

ireds after hundreds signed the pledge. GOURDON .- This is a fishing village on the goast of Kincardineshire. From a letter before us we gather that a good work has begun there lately. "There are crowded meetings every night, tances. Liabilities believed small. night, and it was half-past ten before we broke up our meeting, and, although it was so late, the eople were unwilling to leave.

"There is one case I must give you. It is that of a deaf and dumb girl. When I was speaking her uncle made her understand what I said by the fingers. She got into great distress, and wept bitterly. I turned up several passages to her, such as 'Come unto me,' &c., prayed, left; and. on calling next morning, as soon as I had opened the door, she ran to meet me, and shook me warmly by the hand, and wrote on her slate, 'I am happy! O, I am happy!' and, taking her Bible, she pointed to the words, 'I will give you rest.' When some friends after this called to see her, she took an illustrated Pilgrim's Progress, her Bible and her slate she is now telling to | end to this iniquitous spoilation. others 'what a dear Saviour she has found, warning sinners, and inviting them to Jesus.' Blessed Jesus, he hath done all things well; he maketh even the deaf and dumb to praise him, and teach his salvation."

BRIGHTON .- A Sabbath-school teacher sends us an account of a very delightful awakening in a school in which she is a teacher, and her father is superintendent. Observing a solemn feeling | binet. ing before the afternoon school commenced, and | mency will be extended to his accomplices. at that meeting the children became deeply affected, and were earnestly seeking the Lord with firm at Cronstadt. weeping and with supplication. Some found beace in believing, and implored others to come to Jesus. The boys were brought down by the superintendent to see what the girls were experiencing, and in a short time some of the most | Canada. hardened of them were imploring God to pardon and thirty gave their names as resolved on enteroicing in pardon. A great change has evidenty taken place in both boys and girls; and it is received by the dear teachers as an answer to orayer. The sender says :- "I have sent you these particulars in the hope that others, who are praying for a revivel, may not be discourged, but go on; and be sure that they will see the desire of their hearts accomplished."

ARITHMETICAL PROGRESSION .-- At a meeting recently held in London at the house of the Hon. Arthur Kinnaird, the object of which was to con- The report says nothing of Messina. sider the history of the Anglo-Saxon Revivals, the second year, to 25,600 believers, and then, at the close of the third year, to 408,600, by a not very long series of ascending figures, which would represent wondrous facts. The first 200 Chrisspiritually upon every soul in London, and, in accomplished of evangelizing work in the earliest ages is proved by the recent most interesting revelations of the millions of Christian graves in the Catacombs of Rome.

Delhi.-It was recently stated by a gentleman from Calcutta, that in the city of Delhi-the scene of such dreadful calamities during the Indian mutiny-more than 1000 persons are in a state of religious inquiry; and that a number sion of Christian faith.

A SAILOR'S PRAYER .-- At a prayer meeting for revival, at one of the chapels erected by the late Baroness Barham, Newton Gower, a number who we understand, is so utterly broken in spirit mony, to his having a few months ago soid a porfore in public. One was an old sailor who had, lately joined the little church, whose prayers drew tears from many eyes. Sailor-sike, he said of which and old sailor and an old sailor and old sailor and an old sailor and down the Channel for many a long year, exposed to many a storm and tear pest. My map and chart I refused to consult.—The Jury in accordance with the charge of the particular of this said story, and punish the repetition of his farm, for about £1500 and of which farm, for about £1500 and of which lates the reflects have been issued, for his was desirous of getting the land back again, but to leave her to her wretched fare. Yet it were better surely for the poor girl her back again, but to leave her to her wretched fare. Yet it were better surely for the poor girl her back again, but to leave her to her wretched fare. Yet it were better surely for the poor girl her back again, but to leave her to her wretched fare. Yet it were better surely for the poor girl her back again, but to leave her to her wretched fare. Yet it were better surely for the poor girl her back again, but to leave her to her wretched fare. Yet it were better surely for the poor district her shell dought on the complied with. Time may obliterate the rememberance of £3.45 as all with necessary to the was to give possession on the 1st of May.

Latterly, he was desirous of getting the land back again, but to leave the rotched house. Yet it were better surely for the year class of the social of the was to give possession on the 1st of May.

Latterly, he was desirous of getting the land back again, but to leave the rotched house. Yet it were better surely for the year elastic hards and of which it is a which in each of the wint of the was to give possession on the last of the was to give possession on the said the possession on the said of with his dealed to give possession on t pilot; and now, through thy mercy and grace, I believe that I shall eventually sail into the port

THE TURKS GIVING EAR TO THE GOSPEL .-A correspondent of The Independant, writing from Constantinople. February 13th gives a linst. She was the mother of the present Earl 27, 1860 .- The steamboat A. T. Lacy, Capt. Taycheering picture of the progress of the Gospel Blgin, who departure for China will be delayed for lor, from St, Louis for New Orleans was burnt among the Turks. The Protestants are now con- | a short time. stituted a distinct sect, by order of the Sultan .---By this act, they have all the civil rights that are enjoyed by the Greeks, Armenians, or any other Christian sect; so that, if a person from any of the nominal Christian sects now becomes a true follower of Christ, he loses no civil rights thereby, but simply leaves one sect and joins another, having equal rights in each. Our correspondent describes a missionary service conducted by Rev. D. Schauffler. He says it was my privelege to be present, and though a stormy evening, ten native born Turks, or rather Mohamodens, (two being Persians,) were present .--Of this ten, one was a colonel in the Turkish army, and whose sister is wife of the Shah of Persia. One was a Persian Sheik, of great wealth and influence in his own country. One was an officer in the royal palace, a member of the Sultan't household. One was a nephew of a Pasha, who had been disowned and cast off by his relatives because he had become a christian .--And one was a few months ago, an Imam (priest) in one of the mosques of the city, an old man, seventy years old, and who was baptized four weeks since. With eyes fixed on the speaker, they listened with breathless attention to the end of the lecture. It was a sight worth coming 6,000 miles to see."
