A ship laden with arms, believed destined to fit out expedition in Umbria against Papal Provinces, had been seized. GREECE.—The miscrant who attempted assasi-

fusal of Spain to deliver up the archives of Nea-

nation of the Queen, was a young student pamed day evening of last week, one of the most terrific Daries, weapon used was a revolver. The Queen fires occurred in Fredericton, which was ever Pomone was run into on Saturday evening last, displayed great coolness. JAPAN.—An attempt was made at Kawagawa, it from the Reporter :-July 5th, by a flendish assasin, to murder the in-

mates of British Legation ; two wounded, the rest escaped. All quiet, July 21st.

NORTH and SOUTH.

The New York Observer of the 3d inst., contains the following paragraph, which indicates,

Missouri and Kentucky, and along the lower Potomac, has appeared more discouraging. Certainly the general impression is that affairs the late Henry Fisher, caught the fire, and then We understand that four were taken, and such season advances, are known only to the initated.

It is becoming more and more evident every day, that the government of this country cannot into action the entire resources of the whole Down King Street, consuming a building occuportions, and exhibited such inherent force and vitality, that it will not be put down by any the war we earnestly adovocated the immdiate short space of time the whole upper end of the tition of such a disturbance as we have here reral Government, believing that such anexertion would be in the end, the best economy of time, money and precious lives. Perhaps we had a flames in a Southerly direction; and the grand higher opinion than others had of the resources difficulty became now obvious-to prevent the There will be a Protracted Meeting held with ability, and determination of the South. At all fire catching the opposite side of York Street, the Free Baptist Church in Harmony. Queen's events we believed that they would bring a quar-ter af a million of men into the field, and as they would be on the defensive mainly, it would re- was a difficulty indeed; but willing hands workquire at least twice that number to defeat them. ed the Engine, willing hands tended the hose, attend. This was our original calculation. And now, at and an able and experienced man directed the Oct. 3d, 1861.

M. thodist gives a doleful picture of the state of been disappointed of his prey, he has at least society there. He says :-

and were it not that the crops, except the wheat, are good, the prospect for the future would be dark. But this is not all—it is only the beginning of sorrows, and 'the end is not yet.' The dearest friends have become estranged from each dearest friends have been dearest friends have become estranged from each dearest friends have been dearest fring friends have been dearest friends have been dearest friends ha church, went to the house of God in company. took sweet counsel together, and knelt by each other's side at the table of the Lord, have, in Mr. M. Colter as a dwelling house and provision many instances, become open enemies. From store, was also materially Jamaged. Here forsome churches in this way, the glory has de- tunately the fire was stayed. The corner buildparted."

There seems to be no prospect of a "great Fisher, was occupied by Mr. Doherty as a Hat battle" near Washington. From the latest dates and Shoe Store, and S. A. Akerly, Esq. as a we learn that the Confederates are falling back. | Hardware Store: the loss of the latter must be Their plans have been disconcerted by McClellan's | considerable; this is the fourth or fifth time he energy and vigilance.

LATE !- A New York paper of the 5th inst.

quite unexpectedly retired from their advanced amounts of Insurance, but they are pretty posts, and Munson's Hill, Falls Church, Lewis- large. ville, and other important points have been taken possession of by the Federal troops. The Orange and Alexandria Railroad is likewise in our possession, as far as the Occotank Run. At the same time our troops have advanced from Western Virginia as far as Romney, where only a short distance separates them from the rebel troops at Winchester. From Missouri, we have a report of several brilliant successes of Gen. Lane, but the interest is principally absorbed by the concentration of the large forces under Gen. Fremont near Lexington. Gen. Price remains there with the main body of his force, and from all appearance, the approaching battle is likely to be the most decisive yet fought on the western field of war. Gen. Price is receiving vervlarge reinforcements from the Missouri secessionists. but on the other side, the hope is entertained that Gov. Gamble will be able to raise the 42,-000 Union Volunteers, for which he called in his

In Kentuckey, the advance of the rebels in the south-western part of the State, seems to which Rochester, in Butler, and Greenville, in was but a short time in this country. - Fmn. Muhlenburg county, have been occupied by them. From some farther advanced posts they have already been driven back by Gen. Sherman and Col. Rosseau, two of the most dashing officers of the Union. In the southeastern part of the State, the rebel troops under Zolicoffer, have taken London, in Laurel, and Manchester, in Clay county, where they will soon come in contact with the Federal troops of Camp Robinson, which has received considerable reinforcements. Of the loyalty of the immense majority any doubt, and if the people will promptly re-spond to the call of the Legislature, for 40,000 wolunteers, the campaign in Kentncky will be THE MURDER CASE AT YARMOUTH.—Our rea- Cuoddy River and Shelburne Herrings short and decisive, and soon result in bringing d rs will remember the unfortunate case of For sale by and to the still loyal population of Eastern Ten | murder-one brother by another-which occurnessee.

Secretary's Office, Fredericton, and with all the Agents. O. D WETMORE. (No person is allowed to hold more than one hundred acres payable by instalments.)

(In all cases of competition, the purchaser must immediately pay the purchase money, or else the Land ill be again forthwith offered for sale at the upset price excluding bids from the defaulter,)

(Upset price on "Reserved Tracts" sixty-five est Stocks of Ladies and Gents Furs, ever exhibited in this City. The price is this City. cents per acre, other Tracts sixty cents per acre, in this City; the materials of which were purchased by the Subscriber in person, under the most advan-tageous terms, in the leading Houses of the Trade in Great Britain and the United States. The Stock was purchased in the raw state, and dressed and 108 acres, on lot 1, 2, block Y, Wentworth's manufactured here in a manner equal, if not superior to those Imported, and thereby saving the duty paid on Manufactured Articles. Every person who has the welfare of this Country at heart. will patronize Domestic Manufacture, more especially when they can get a better article for the price, than they can get of Imported Stock. To satisfy the most incredulous, I would most respectfully request them to call and examine my Stock of Furs, which will be com-plete and ready for inspection by the 20th of Sep-tember Wholesale Dealers in this City and the

Country, will be supplied on reasonable terms. A catalogue of the different articles and the prices, will be distributed early next month. The highest prices paid for Raw Fur Skins. Furs of every description made to order. A. MAGEE 27, King Street.
