One or two important skirmishes have taken place in Western Virginia, resulting favorably for the Union forces, which are now considered out of danger.

Kentucky is stil threatened with an irruption of the rebel troops from Tennessee and perhaps from the army at Manassas. The Kentucky Legislature has passed resolu-

An act has passed authorizing the raising of \$2,000,000, on the credit of the State, to aid in prosecuting the war against treason. The money will be advanced] inmediately, as wanted, by the Banks of Kentucky. The Legislature has provided for the enroliment of 40,000 volunteers in the State service, for three years or for the war, and has directed that this State-force shall be under the general superior control of the officers of the United States Army engaged, in Kentucky.
