Johnson, at Hopkinsvine, enforcing conscription and laying contributions upon Union The tall soldierly figure of the General, the white horse which he rode, the elevated place where he was —all made him a most dangerously conspicuous mark. So he had been all day, riding often without a staff officer nor an orderly near him-all sent off on urgent commence vigorous preparation to check Confederate duty-visible everywhere on the field. The Rebel bullets had followed him all day, but they had not scriptions at an early day. hit him and he would not regard them. Remounting on this hill, he had not ridden five steps when he was struck in the foot by a ball.

Three men were shot down at the same moment by his side. The air was alive with bullets. He kept on his horse for a few moments, though the wound was severe and excessively painful, and would not dismount till he had given his last order to advance. He was himself in the very front. Swaying unsteadily on his horse, he turned in his seat to look about him. "There is a regiment to the right. Order it forward! Crawford and Gordon are coming up. Tell them to carry these works and hold them-and

it is our fight !" It was found that the bullet had passed completely through his foot. The surgeon who examined it on the spot could give no opinion whether bones were broken, but it was afterward ascertained that though grazed they were not fractured. Of cource the severity of the wound :nade it impossible for him to keep the field which he believed already, so far as it belonged to him to win it. It was nine o'clock. The fight had been furious since five. A large part of his command was broken, but with his right still untouched and with Crawford's and Gordon's brigades just up, Confederate cavalry are numerous in the vicinity of above all, with the advance of the whole central line

THE SCENE OF SUNDAY'S BATTLE. A Washington letter in the New York Commercial
