glad, therefore, to notice that he testifies, from per-

ITALY. - The King has returned from his excursion into Central Italy. It is superfluous to say that he was everywhere very well received, and that he spoke here and there with that appearance of good faith, that naivete, and that conviction of the great destiny of Italy which he always displays. He personally sees neither difficulties nor diplomacy, and would, if he might, cut every knot with the sword. But the conduct of Victor Emmanuel has for some time back gards war, and all that pertains to war, he used to of Gen. A. P. Hill's command. care for absolutely nothing but the battle-field. He tion of Parliament, a dictatorship vested in the King, was terrific.

mirably. Twelve new vessels of all kinds and ninth (Irish Brigade), was also badly wounded. dimensions are in course of construction here and The battle was expected to be renewed to-day, proabroad. OCCUPATION OF FREDERICKSBURG-A GREAT BATTLE IN

Headquarters in the Field opposite Fredericks- President Buchanan for failing to take necessary meaburg, Dec. 11, S r. M. -Between 4 and 5 o'clock this sures to prevent rebellion. morning, the pontoon train in charge of the 17th and House adopted a Resolution endorsing President's 60th New York Engineers, under command of Gen. | emancipation proclamation a war measure-78 against Woodbury, proceeded to the river bank, where with 5L infantry supports an attempt was made to throw three bridges across the river-one at the point where the railroad bridge formerly crossed, and two more opposite the city, but nearer Falmouth.

A dull haze obscured the movements for a time, and the pontooniers succeeded in partially constructing the bridges, when the rebels suddenly opened a very brisk and deadly fire of musketry from along the banks of the river and windows of the houses, compelling a cessation of the work. Some of our men were shot midway in the stream, and falling overboard floated down the river.

o exist,

Returning to the cover of the surrounding hills, the men were again formed, and at about 6 o'clock the attempt to bridge the river was again renewed, but the rebels with reinforcements of sharpshooters swarmed on the opposite banks and in the houses. Nothing daunted by the hot fire poured in at the fight longer for Southern Confederacy. They prereappearance of our troops, the pontooniers went gallantly to work, but in vain. The storm of bullets enveloped them; planks and boats were riddled by

every volley, and they were compelled to fall back once more to the cover of the hills. As it was evident that the rebels were determined to use the houses for defence, contrary to the implied artillerymen to open fire upon the city. The fog was | sion of imbeciles and lawyers from the management so dense that it was impossible to see but a short dis- of the army. tance beyond the edge of the river, but the houses, however, in which the rebel sharpshooters exposed

was for the time particularly directed. By 7 o'clock the bombardment had become general, and from that time until one o'clock the roar of artilthick into the doomed city.

About 10 o'clock the engineers were formed for the third attempt to construct a bridge. The 8th Clellan had been called to Washington. Connecticut regiment, under Major Ward, was lying near the river bank in support of one of our bat-

After the previous ineffectual attempt on the part of the engineers to cross, a party of 80 men from that regiment, under Capt. Marsh, volunteered to assist in the endeavor to finish laying the bridges. Once more the column started down the river, under the

direction of Gen. Woodbury. They seized the planks and carried out some dozen or so to the end of the string of boats. Part of them were compelled to retire under the very galling fire from the rebel sharpshooters, who were ensconced

securely in rifle-pits below the range of artillery, and within fifteen or twenty feet of the river's edge. Two of the 8th Connecticut regiment were wounded, and the pontooniers suffered severely. The movement having been thus interrupted the whole party were ordered back to their original posi-

At 11 o'clock it was discovered that one of the houses was on fire. The flames soon spread and

Fredericksburg was now enveloped in fire and smoke. The fire which had been opened upon the rebel rifle pits from our batteries up the river had been successful so far in driving the sharpshooters from the vicinity of the railroad depot. The rebels still maintained their ground opposite the upper bridges. . The cavalry are now passing Gen. Sumner's headquarters, en route to make a charge across the river

official report will probably exceed that. Gen. French's division went into action with 7000, two days after only 1,200 had reported to him; more than half hors du combat before firing a shot.

Reported that Gen. Banks' co-operate against Richmond causes intense dissatisfaction throughout army. Federal victory at Prairie Grove, Arkansas, greater than first report.

Confederate loss about 3000, 1500 left dead on the

Gen. Evans telegraphed to Richmond that he had driven Federal General Foster, attacking Kingston, N. C., with 15,000 back to gunboats. Congress will investigate Fredericksburg battle.

## MISCELLANY.

A STRANGE NARRATIVE. - The following letter relative to a Protestant lady being enticed away from New York to a convent near Montreal, we copy from the Methodist :

Just received by Steamer Arabia, per Juliet, from Halifax, and opening out this day—A magnificent assortment of Wax Dolls, at extremely low prices. Fine Photographic Albums, for Cartes de Visite; Papier Machie In the fall of 1856, a niece of the Rev. Robert Travis, a member of the New York East Conference, residing at No. 1860 Hammond-street, was persuaded by two Roman Catholics to leave her home, and become a Catholic. She was conveyed first to the house of one of them, and from there to the convent. by two Roman Catholics to leave her home, and behouse of one of them, and from there to the convent of the "Sacred Heart," at Manhattanville. After being kept there six or eight months, she was induced to make a visit to Canada, with a full understanding that it was only a visit, and she should be brought back very soon. After they got her there, she was taken to convent, three miles from Montreal, and as she had a good education, she was placed at teaching scholars, who came to the convent school. After taking the white veil, she became extremely dissatified, and wanted to go home to New York, but she was threatened with the pains and penalties of excommunication, and absolutely frightened, while sick, to take the black veil. After three or four years sick, to take the black veil. After three or four years of such a life, she was determined to quit the convent, and wrote home, confiding her letter to a lady who pretended to be her friend, but who really was a spy or confederate of the Lady Superior. The letter was placed into the hands of the confessor, and at the was placed into the hands of the confessor, and at the lady Superior. The letter was placed into the hands of the confessor, and at the lady Superior in the lady Superior. The letter was placed into the hands of the confessor, and at the lady Superior in the lady Superior. The letter was placed into the hands of the confessor, and at the lady Superior in the l the confessional she was charged with keeping back her secret sins, and threatened again with all the horrors that the Catholic Church could bring down on her. Finally, she made up her mind to run-away, and on the evening of the 2d or 8d of September, 1862, she disguised herself by turning her hood inside out, and in other ways, so that she got ont of the gate of the convent, which had been left unsecured to admit some of the dignitaries of the Church, who were out some of the dignitaries of the Church, who were out the convent of the Church of the Church, who were out some of the dignitaries of the Church, who were out the convent of the Church late. She found a Baptist minister near by, who gave her shelter; but deeming it not safe or prudent for her to stay in that neighborhood, he sent her to L. Roussy. Baptist missionary at Grande Ligne, near reasonable prices at CLARKE'S DRUG STORE, L. Roussy, Baptist missionary at Grande Ligne, near St. John's Canada East, who kindly received and took good care of her, and wrote to me, her uncle, who immediately went up to Grand Ligne, and brought her back to New York. Miss that the lying and miserable deceptions practised that the lying and miserable deceptions practised upon her by the Lady Superior and officers of the New York:—369 brls. Extra State Flour—"Napier" convent, and the Catholics generally with whom she and "Bellefontain" brands. For sale by JACOB D. UNDERHILL.

ROBERT TRAVIS. November 18th, 1862.

POPULAR IGNORANCE. - At a religious spublic meeting, not long ago, a speaker was illustrating the ignorance that prevailed in the country, and he said &c., &c.-these will be sold at Cost. that a colporter, going with tracts into the log house of a dweller on the Ohio, asked the woman if they have been the Gospel there. She said "No but they have had the Gospel there. She said "No; but they have it dreadful bad about four miles below."

Worse than this, we have this week a letter from a chaplain in Arkansas, who says that a man buying furs was conversing with a woman at whose house he called, and asked her "if there were any Presbyterians around there?" She hesitated a little, and said "she guessed not; her husband had'nt killed any since they had been there."-N. Y. Observer.

TEMPERANCE. - It is stated in a foreign journal, that out of a caravan of eighty-two persons who crossed the great desert from Algeria to Timbuctoo last summer, all but fifteen used wine and othe spirituous liquors, as a preventive against African diseases. Soon after reaching Timbuctoo, all who used spirituous liquors died, save one. Of the fifteen who abstained,

SPAIN. - Spain is still the land of the Torquemadas and the Inquisition. Telegraphic dispatches from Madrid, inform us that on the 6th October judgment was given by the Court of Grenada in the case of Senor Alhama, for propagating Protestant doctrine, and that he was condemned to nine years' imprisonment. Several others of the imprisoned Protestants, among them Matomoros, have received a similar judgment. Senor Trigo, whose name has also been often mentioned in this case, together with his wife, have

THROAT AFFECTIONS, -[From Dr. G. F. Bigelow, Boston.] "Brown's Bronchial Troches are a simple and elegant form of administering, in combination, several medicinal substances, held in general esteem, among physicians, in the treatment of Bronchial
