THE BEGGAR'S COURAGE. Translated from the Persian.

To heaven approached a Sufi saint. From groping in the darkness late, And, tapping timidly and faint,

Besought admission at God's gate. Said God, "Who seeks to enter here?" "'Tis I, dear friend," the saint replied, And trembled much with hope and fear,

"If it be thou, without abide," Sadly to earth the poor saint turned, To bear the scourgings of life's rod; But aye his heart within him yearned

To mix and lose its fore in God's. He rouned alone through weary years,

By cruel men suid scorned and macked, Until from faith's pure fires and tears, Again he rose, and modest knocked."

Asked God, "Who now is at the door ?" " Is it thyself, beloved Lord !" Answered the saint, in doubt no more,

PHE ROYAL INSURANCE COMPANY 92, Chairman of the London Board. Samuel Baker, Esq. Chairman in Liverpool. Charles Turner, Esq. The Royal Insurance Company is one of the largest Offices in the kingdom.
At the Annual Meeting held in August 1859, the following

highly satisfactory results were shown :-FIRE DEPARTMENT. The most gratifying proof of the expansion of the business is exhibited in the one following fact—that the increase alone of the last three years exceeds the entire business of some of the existing and of many of the recently defunct fire insurance companies of this kingdom. Public Speakers and Singers. Few are aware of the importance of checking a Cough or "slight Cold" in its first stages; that which in the beginning would yield to a mild remedy, if neglected, soon attacks the lungs. Brown's Bronchial Troches are a most valuable article, especially so at this season of the year, when Coughs, Colds, Bronchitis, Influenza, Hoarseness and Sore Throat are so prevalent. The Troches give sure and almost immediate relief.
