PORTLAND, St. John, N. B., Sept. 2, 1862. I have for years been atflicted with a suffocation and oppression of the lungs, which was frequently so distressng that I could not sleep, until I used your Pain Eradicator, which cured me by few applications, and it has not troubled me since now two years. It also cured me of a violent Headache, by applying it a few times on the head. My husband had his legs so badly braised by being jammed between two logs, that he thought he would be disabled for some weeks, but by a faithful application of your liniment, he was able to work the next day.
