THE PERFECTION OF MECHANISM!

THE MAGIC TIME OBSERVER, BEING a Hunting and Open Face, or Lady's or Gentle-man's Watch Combined, with Patent Self-Winding The "New York Illustrated News," the lending pictoria! paper of the United States, in its issue of Jan. 10th, 1868; n page 147, voluntarily says:-

We have been shown a most pleasing novelty, of which the Hubbard Bros., of this city, are the Sole Importers. It is called the 'Magic Time Observer,' and is a Hunting and Open face Watch combined. This is one of the prettiest, most convenient, and decidedly the best and chennest time. piece for general and reliable use, ever offered. It has within it and connected with its muchinery, its own winding attachment, rendering a key entirely unnecessary. The cases of this Watch are composed of two metals, the outer one being fine 16 carat gold. It has the improved tuby action lever movement, and is warranted an accurate time

Price, superbly engraved, per case of a half dozen, \$204. Sample Watches, in neat morocco boxes, for those propos payable on delivery. Soldiers must remit payment in advance, as we cannot collect from those in the Army. Ad-HUBBARD BROS. & CO., Sole Importers, South Cor. Nassau & John Streets, N. Y ATTENTION !
