THE MOUNT ALLISON ACADEMY. SACKVILLE, N. B.

Thursday Morning, July 80th. THE Institution has been opened and in successful opera-L tion more than twenty years. During all this time it has enjoyed public confidence and patronage to an extent altogether unprecedented in the history of similar Institutions in these Provinces. In uninterrupted succession, its numerous companies of students have gathered from almost all parts of the country, and from all ranks and denomina-

tions of our Colonial population.

Those upon whom the direction of its affairs has devolved, have been stimulated and encouraged by its prosperity, to continued efforts to render it ever increasingly efficient each year has consequently been marked by valuable additions to its educational facilities, and by more or less extensive improvements in all its departments. The Board of Instruction includes six thoroughly quali-

fied and experienced Teachers, two or three Assistant Teachers, and a Professor of Music; all of whom labor most assiduously to prove themselves not unworthy of the mportant trust committed to them. The employment of large a staff of instructors renders practicable a thorough classification of the students, and such a division of labor as is most pleasant to the teacher and most profitable for the pupils, ensuring a sufficient amount of attention daily to each class, and to every member of each class. The Academy will still be conducted on the same princi-

ples which have hitherto secured for it such enviable and distinguished popularity, and such extensive and coninued patronage. The attention of young men and of the Parents and Guardians of youth is therefore confidently, out respectfully, invited to it, as an Institution where, under most favorable circumstances, thorough intellectual training may be obtained in safety and comfort, and at very moderate expense. The charge for Board, Lodging, Washing, Fuel,

light, &c., and Tuition (except Music), will amount only rom \$110 to \$130 per annum. Students in the Academy will have the privilege of attending any of the Lectures and Classes in the Mount Allison College, for which they may be prepared by paying

a very small additional Fee. For further information send for a "Gazette." Sackville, N. B., July 24. H. PICKARD. BRIDGE CONTRACT.

PENDERS will be received at the Office of Public Works, until noon on SATURDAY, the 15th day of August ext, for the erection of a BRIDGE over Welden's Creek, in the County of Kent, according to Drawings and Specification to be seen at the said Office, or at the office of the Hon, David Wark, Richibucto, at either of which places further information may be obtained. Each Tender must be sealed and marked "Tender for Bridge," and must enclose a written engagement from two persons whose responsibility may be satisfactory to the Goernment, to become sureties for the faithful performance G. L. HATHEWAY, Chief Commissioner.
