WORK! WORK! Work away !

For the Father's eye is on us, Never off us, still upon us, Night and day! WORK AND PRAY! Pray, and work will be complete; Work, and prayer will be the sweeter; Love and prayer and work the fleeter Will ascend upon their way;

Fear not lest the busy finger, Weave a net the soul to stay; Give her wing-she will not linger-Soaring to the source of day, Cleaving clouds that still divide us From the azure depths of rest, With the sunshine on her breast, Sit and sing to us while quickest On the fingers move.

While the outward din is thickest, Songs that she hath learned above.

Live in Future as in Present-Work for both while yet the day Is our own, for lord and peasant, Long and bright as summer's day Cometh, yet more sure, more pleasant, Cometh soon our Holiday; Work away 1
