SAINT ANDREW'S SOCIETY. - The annual meeting of this Society was held last evening at Stubb's Hotel, at Political feeling is disclaimed, and very general supwhich the following gentlemen were elected office port extended. bearers for the ensuing year :-L. Denaldson, President; R. Thomson, Vice-Pre-

sident; P. R. Inches, Treasurer; W. Wedderbarn, newed gloom and depression. Funds well sustained, Secretary; Rev. Dr. Donald, Chaplain; Thos. King. but speculative stocks continue to decline. Marshal; Messrs. Shives, Cruikshank, and Mackay, Committee of Charity.

The published returns show that there was raised creased demand for interest at Bank. from the different mines in Nova Scotia, in 1863, 424,425 tons of coal, of which large quantity 76,061 in American trade. tons were sold in the Province, 65,772 in the other British American Provinces, and the balance, nearly 287,000 tons, were shipped to the States.

By papers of latest date we learn that the Delegates had adjourned to Montreal, having agreed upon a draft report, which would be revised in that city, and provably soon made public. A special telegram from Quebec dated October 27th, is of the following sign final peace treaty.

"The Conference has now ended, and has in every thing succeeded. "It was understood the question of the powers of the general and local governments were fully deter-

mined this afternoon and finally revised. "Governors of various Provinces to be appointed by Confederate Government, by whom their salaries are to be paid. "Reported that laws of local legislatures to be

subject to approval of Confederate Government, "The duration of general Parliaments has been | 22d, passed Father Point this forenoon. provisionally fixed at five years. Efforts made to extend it to six or seven, as in Britain.

"The Property Qualification of members of Assembly to remain as now, and Franchise not altered for the present. "Arrangements are made by which Nova Scotia funds were firmer.

and New Brunswick may construct their sections of intercolonial railroad at once if they do not wait till | C., has been appointed Consul to Cuba. the confederation is completed, the scheme not to be promulgated till laid before the Local Legislatures.' | duce quiet. After this will be concurrent with the General Government; piece of sharp practice Grant returned to his works." also respecting education; but on this point it is decided that the rights of religious minorities shall be protected by separate schools; the sale and management of public lands, except those required by the Dunnican road, being an advance of about three General Government; municipalities; real estate and civil rights; inland fisheries; prisons and peni- the discovery of the exact position of the enemy's results and its effects in other cases, as well as my own, I tentiaries; hospitals and charities; local roads and bridges; direct taxation for local purposes; and other matters of this sort. .....

In financial affairs, it is understood that the present several revenues are to be consolidated, and that New Brunswick and Nova Scotta are to find compen- could be easily driven into their inner lines of Peterssation for increased burdens and surrender of cus- burg; but to the surprise of all not only were the toms revenue in building the Intercolonial Railway; that Prince Edward is to receive a direct money aid for local purposes, and Newtoundland either in the same way or in Ocean Steam communication; but this is not fully authenticated.

ceived in an excellent spirit, and bestows high praise took about 500 altogether during the day. on the Nova Scotia delegation. We have only room | Gen. Grant and staff were present during the entire to quote that part of this communication which day, and in company with Gen. Meade witnessed varefers to the delegates from New Brunswick: -

left mainly to Mr. Secretary Tilley, the leader of that but were driven back with considerable loss. Secretary was not a frequent speaker. He seldom tured it, taking a Colonel, Major, Captain and Lieuof the subject. Without having the extraordinary tance, and our men still hold their new ground. facility of statement which on such subjects distinguishes Mr. Galt, he was always clear, cogent, and to the point. The unpardonable sin in Mr. Tilley's mind, would seem to be, surplusage. There was not in all he said, a sentence thrown away, or a colleagues that essential knowledge of where and away their shoes, They pressed forward barefooted, when to stop. Any ordinary man can open an argument; most men can keep one up, but Mr. Tilley always knows where his matter ends, and when that is out, he never attempts to prolong discussion for the mere sake of an argumentative triumpu. And Decatur, Ga., on Saturday and Sunday, and was rethe condensation of his style was no bad index to was his all in all, and it is but justice to him to say, followed by Union forces. he generally succeeded.

Mr. Chandler and Mr. Fisher, both lawyers and of Thanksgiving for the many victories with which politicians of long standing, gave their attention the Confederate arms have been crowned. chiefly to the legal and constitutional questions, his former patriotism into skeptcism of popular intel- structionists to raise their heads. ligence or popular capacity. The youngest member present could not have contended with greater zeal for the privileges of the people then this veteran of

us as the beau ideal of "an old Tory." Mr. Gray, also of the New Brunswick bar, more than any of the eastern members, gave the listener, at the first tones of his voice, the idea of an orator. Of render the St. Albans raiders, they will appeal to the a fine manly presence, with a voice of great flexibility Privy Council of England. and compass, and an ample flow of language, his whole ensemble was that of a finished public speaker. If he has a fault it is in a certain rich redundance of server into the conclusion that his argumentation was was repulsed at all points in the movement on Thursless close and logical than it really is. This, how- day. Richmond papers, however say the movement ever, would be an error and an injustice. There is was a surprise and that they lost considerably. nothing whatever inconsequential or inconsecutive even in Mr. Gray's most discursive flights. His panoply of shining words is never to be compared to-

" Saul's plate armour on the peasant boy, Encumbering, but not arming him.' The same mind that supplies the armor, supplies the strong and sinewy substance to sustain it. Nor is it at all inconsistent, that, as in this case, splendour of diction, and soundness of judgment should be found going aptry together. In short, if for a Bank parlor negotiation, his Province could not have a better representative than Mr. Tilley, or for an Appellate Court than Mr. Chandler or Mr. Fisher, for a popular or Parliamentary audience they certainly could have found no more impressive spokesman than Mr. Gray. Mr. Johnson, the Attorney General of this Province, has great dash and vigor, and would be apt to prove a difficult opponent at Nisi Prius.

THE BRIGG'S MURDER. - The evidence against Muller for the murder of Mr. Briggs is, we learn by the latest Gold unsettled, opening at 246, then declined to English papers, complete. It will be remembered 236. At regular stock board it closed at 228. that Muller exchanged the gold chain which Mr. named Death, for another chain and ring, which he | Secretary Seward in a despatch to the Mayor of Briggs were at the time of the murder, with a jeweller afterwards were; also, that Mr. Briggs' watch was Buffalo gives information of a recently discovered found in his chest when he was arrested in New York | plot to burn Northern cities on the day of Presidenharbor.
