

In 1850 one out of every 15 drunkards in the day. State of New York was convicted of crime, while only one out of every 661 sober men was guilty of a breach of the law. The 60,000 intemperate persons in the State committed more crimes, by above 200, than the 2,540,000 temperate persons.

In the ten counties of New York where crime most abounds there is one grog-shop for every mittad thora one for every 396.

The Washingtonian movement for the reform one against him as to an honest life thereafter." of drunkards began in 1842. For several years in the State Prison in Maine was 80; for several years after it was 60. The number of convicts diminished one-fourth. In Vermont the reduction was greater still. In the Eastern Penitentiary of Pennsylvania the average number of concreased nearly one-third.

nearly 50 per cent.

persons were committed to the jail in Portland ; during the nine months subsequent to its operation there were but 63 committed, besides liquor dealers.

might also have a converting power.

FAMILY DISCIPLINE.

-fixed by the parents! Let every father and moth-What motives are laid upon all Christian parents er solennly vow, 'By God's help, I'll fix my darling's to make the first article of family discipline a condestiny for good, by making home more attractive stant and careful discipline of themselves. I would not undervalue a strong and decided government in that the street."-- Well-Spring. families. No family can be rightly trained without it. The late Dr. N. W. Taylor was wont to relate how, -But there is a kind of virtue, my brethren, which is not in the rod-the virtue, I mean, of a truly good at one time, there was a member of the Seminary who seemed so dull and inapt that he felt compelled, and sanctified life. And a reign of brute force is out of kindness to him and regard for the churches, much more easily maintained than a reign whose to advise him no longer to look toward the ministry power is righteousness and love. There are too, I as his calling, but betake himself to some plain, honmust warn you, many who talk much of the rod as est trade. Soon after, the Professor heard that his the orthodox symbol of parental duty, but who might unfortunate student had been preaching at a place really as well be heathens as Christians; who only where he himself had officiated. Meeting a member storm about their house with heathenish ferocity, of that congregation, he asked, with a little latent who lecture, and threaten, and castigate, and bruise, amusement at the expected answer : and call this family government. They even dare to "You had Mr. ---- to preach for you last Sunday; speak of this as the nurture of the Lord. So much easier is it to be violent than to be holy, that they how did you like him ?" The parishioner did not recognise the person with substitute force for goodness and grace, and are whom he was speaking, and answered frankly : "We wholly unconscious of the imposture. It is frightful liked him well, and much better than we did Dr. to think how they batter and bruise the delicate, tender souls of their children, extinguishing in them Taylor !" "Since that," said the Dr., "I have been careful what they ought to cultivate, crushing that sensibiabout passing adversely upon the qualifications of lity which is the hope of their being, and all in the young men for the ministry, or predicting that they sacred name of Christ Jesus. By no such summary cannot find a people to be pleased and profited by process can you dispatch your duties to your childtheia. ren. You are not to be a savage to them, but a father and a Christian. Your real aim and study . A Boy Saving His MORNING PRAYER IN THE WOODS. must be to infuse into them a new life, and, to this -Three little boys were playing one morning beend, the hie of God must perpetually reign in you. neath some noble forest trees in a right merry mood. Gathered round you as a family, they are all to be so Suddenly one of them stopped playing, put on a very many motives, strong as the love you bear them, to grave face, and said : make you Christ-like in your spirit. It must be seen "I have forgotten something. I forgot to say my and felt with them that religion is a first thing with prayers this morning. You must wait for me." you. EIGHT TO SIXTEEN.

" Lord Shaftesbury recently stated in a public meeting in London, that from personal observation he had ascertained that of adult male criminals of that city, nearly all had fallen into a course of crime between 240 inhabitants; whereas in the ten counties the ages of eight and sixteen years; and that, if a is young man lived an honnes life up to twenty years of age, there were forty-nine chances in favor and only

[What boy will not think of this, and see to it before that date the average number of convicts that he does nothing during that interesting period of life that shall be his ruin ?-Your destiny may hang on what you do those few years.]

"The above fact is of startling import to fathers and mothers, and shows a fearful responsibility. Cervicts for six years previous was 387, for three tainly a parent should secure and exercise absolute years subsequent, 328, while the population in- control over the child until sixteen; it cannot be a difficult matter to do this except in very rare cases,

Similar results have been observed in other and if that control is not wisely and efficiently exercountries. The closing of public houses on the cised, it must be the parents' fault; it is owing to the Sabbath in England in 1849 was followed by a parental neglect or remissness. Hence the real source reduction in the average arrests in Bristol, from of ninety-eight per cent. of the crime in a country 4063 for the three years preceding, to 2903 for such as England or the United States lies at the door the three years subsequent; and by a similar re-of the parents. It is a fearful reflection; we throw it before the minds of the fathers and mothers of our

The Maine law went into effect in that State in land, and there leave it to be thought of in wisdom, 1851. At the March term of the police court in remarking only, as to the early seeds of bodily dis-Portland for that year 17 indictments were found. | ease, that they are in nearly every case sown between At the corresponding term the following year but sundown and bedtime, in absence from the family one indictment was found, and that proved to be circle, in the supply of spending money never earned a case of malicious prosecution. During the nine by the spender, opening the doors of confectioneries months preceding the operation of the law 279 and soda fountains, of beer and tobacco and wine shops, of the circus, the negro minstrel, the restaurant, and dance; then follows the Sunday excursion, the Sunday drive with the easy transition to the These are convincing facts; would that they company of those whose ways lead down to the gates of social, physical, and moral ruin. From "eight to sixteen !" In these few years are the destinies of children fixed in forty-nine cases out of fifty,

HOLLOWAY'S OINTMENT

DISORDERS OF THE STOMACH, LIVER, AND BOWELS.

The Stomach is the great centre which influences the health or disease of the system-abused or debilitated by excess-indigestion, offensive breath and physical prostration are the natural consequences. Allied to the brain, it is the source of headaches, mental depression, nervous complaints and unrefreshing sleep. The Liver becomes affected and generates bilious disorders, pains in the side, &c. The Bowels sympathuse by Costiveness, Diarrhoea and Dysectery. The principal action of these Pills is on the stomach, and the liver, lungs, bowels and kidneys participate in their recuperative and regenerative operation

ERYSIPELAS AND SALT RHEUM Are two of the most common and virulent disorders prevalent on this continent; to these the Ointment is especi-ally antagonistic-its modus operandi is first to eradicate

BAD LEGS, OLD SORES, AND ULCERS. Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a tew applications of this powerful

ERUPTIONS ON THE SKIN. Arising from a bad state of the blood or chronic diseases, are eradicated, and a clear and transparent surface regained by the restorative action of this Dintment. It surpasses many of the cosmetics and other toilet appliances in its power to dispel rashes and other disfigurements of the

PILES AND FISTULA. Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient ; warm fomentations should precede its appli cation. Its healing qualities will be found to be thorough and invariable

Both the Ointment and Pills should be used in the following cases : Bunions, heumatism, Sore Heads, Burns, Sore Throats. Chapped Hands, Chilblains, Bores of all kinds, Salt Rheum, Sprains, Stiff Joints, Skin Diseases. Fistula. Swelled Glands, Tetter, Lumbago, Sore Legs, Mercurial Eruptions, Sore Breasts, Wounds of all kinds.

CAUTION !-- None are genuine unless the words " Holloway, New York and London," are discernible as Waier-mark in every leaf of the book of directions around any one rendering such information as may lead to the de
