"IT IS MORE BLESSED." Give! as the morning that flows out of heaven; Give! as the waves when their channel is riven; Give! as the free air and sunshine are given;

Lavishly, utterly, joyfully give. Not the waste drops of thy cup overflowing, Not the faint sparks of thy hearth ever glowing, Not a pale bud from the June roses blowing; Give as He gave thee who gave thee to live.

Pour out thy love like the rush of a river, Wasting its waters, for ever and ever,

Through the burnt sands that reward not the giver; Silent or songful, thou nearest the sea. Scatter thy life as the summer's shower pouring ! What if no bird through the pearl-rain is soaring? What if no blossom looks upward adoring?

Look to the life that was lavished for thee! Give, though thy heart may be wasted and weary, Laid on an altar all ashen and dreary; Though from its pulses a faint miserere

Beats to thy soul the sad presage of fate; Bind it with cords of unshrinking devotion, Smile at the song of its restless emotion, 'Tis the stern hymn of eternity's ocean; Hear, and in silence thy future await.

So the wild wind strews its perfumed caresses, Evil and thankless the desert it blesses; Bitter the wave that its soft pinion presses; Never it ceaseth to whisper and sing.

What if the hard heart gives thorns for thy roses What if on rocks thy tired bosom reposes? Sweeter is music with minor-keyed closes, Fairest the vines that on ruin will cling.

Almost the day of thy giving is over; Ere from the grass dies the bee-haunted clover, Thou wilt have vanished from friend and from lover; What shall thy longing avail in the grave? Give as the heart gives whose fetters are breaking, Life, love and hope, all thy dreams and thy waking;

Soon heaven's river thy soul fever slaking,

## HOLLOWAY'S PILLS. HOLLOWAY'S OINTMENT:

DISORDERS OF THE STOMACH, LIVER, AND BOWELS. The Stomach is the great centre which influences the health or disease of the system-abused or debilitated by excess-indigestion, offensive breath and physical prostra-tion are the natural consequences. Allied to the brain, it is the source of headaches, mental depression, nervous complaints and unrefreshing sleep. The Liver becomes affected and generates bilious disorders, pains in the side, &c. The Bowels sympathise by Costiveness, Diarrhea and Dysectery. The principal action of these Pills is on the stomach, and the liver, lungs, bowels and kidneys participate in their recuperative and regenerative operation

ERYSIPELAS AND SALT RHEUM Are two of the most common and virulent disorders prevalent on this continent; to these the Ointment is especi ally antagonistic-its modus operandi is first to eradicate the vermin and then complete the cure. BAD LEGS, OLD SORES, AND ULCERS.

Cases of many years standing, that have pertinaciously refused to yield to any other remedy or treatment, have invariably succumbed to a tew applications of this powerful ERUPTIONS ON THE SKIN, Arising from a bad state of the blood or chronic diseases,

are eradicated, and a clear and transparent surface regained by the restorative action of this Ointment. It surpasses many of the cosmetics and other toilet appliances in ts power to dispel rashes and other disfigurements of the PILES AND FISTULA.

Every form and feature of these prevalent and stubborn disorders is eradicated locally and entirely by the use of this emolient ; warm fomentations should precede its application. Its healing qualities will be found to be thorough

Both the Ointment and Pills should be used in the following cases: Rheumatism,

Ringworm, Sore Throats, Sores of all kinds, salt Rheum, Sprains, Stiff Joints, Swelled Glands, bago, Sore Legs, curial Eruptions, Sore Breasts,

CAUTION !- None are genuine unless the words "Holloway, New York and London," are discernible as a Water-mark in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the de; tection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.
