NOTICE. As Cancers have become so common of late, and as there are so many impostors with specifics for them and Scrofula, I therefore think it my duty to state that I am prepared to treat successfully any case of Cancer or Tumor that may come to hand. have cured nearly one hundred cases, and feel confident of giving every satisfaction. Our motto is-No Cure, No I have had as many as ten cases under treatment at one

time, all of whom were cured in three weeks, ready to return home. As my general practice is very extensive, I cannot always be home; but as I have an Assistant (Dr. George Lamb), who has been with me for several years, patients may be assured they will be well attended Board can be had at Mr. Wm. Rockland, Dorchester, April 11th, 1864. With pleasure I inform the world that one year ago Dr. W. S. Foshay was sent for to see my sister (P. A. I am happy to inform my fellow creatures that I had a Cancer in my face, of nine years standing, and about breaking out. It was one and a quarter inches in diameter, and through the cheek. I was now very miserable, and was given up as a hopeless case. I heard of Dr. Foshay, and employed him. He removed the Tumor in a short time with very little suffering, by applying plasters, and built up my general health. 1 am now well—thanks to Dr. Foshay and God's providence, for sparing me to my family.
