The following are the latest despatches: -WASHINGTON June 18, 1884.

WAR DEPARTMENT, 10 P.M. 5 To Major General Dix: The following despatch from Gen. Grant, dated yesterday at City Point, has

been received by this Department: capturing 450 prisoners and four guns. Our successes are being followed. Our forces drew out from Coal Harbor, made a flank movement of an average of about fifty five miles march, crossing the Chickahominy and James rivers, the latter two thousand feet wide and eighty-four feet deep at the point of crossing, and surprising the enemy's rear at Petersburg. This was done without the loss of a wagon or a piece of artillery, and only about one hundred and fifty stragglers were picked up by the enemy. On covering this movement Warren's corps and Wilson's cavalry had frequent skirmishing with the enemy, each losing from fifty to sixty killed and wounded, but inflicting an equal if not greater loss on the enemy. The 18th corps (Smith's) was transferred from White House to Bermuda Hundred, by water, and moved into the rear of Petersburg on the night of their arrival, and surprised, or rather captur-There has been a very severe frost in the neighbour- ed, the very strong works northwest of Petersburg before sufficient force could be got there by the enemy to hold them. Too much credit cannot energy and fortitude desplayed the last few days. Days and nights have been all the same, no delays being allowed on any account."

LATER .- Unofficial despatches show that at 8 o'clock this morning the enemy still occupied Petersburg. Major Morton was killed in an assault yesterday. Nothing to-day from Sherman or Hunter.

E. M. STANTON. (Signed.) Secretary of War. WAR DEPARTMENT, WASHINGTON, June 19-9, 45 P. M.

To Major-Gen. Dix-This evening a despatch from City Point, dated at 9 o'clock this morning, has reached the Department.

It reports that our forces advanced yesterday to within about a mile in front of Petersburg, when they found the enemy occupying a new line of envanced position. From the forces of the enemy within the enemy's new line it is inferred that Beauregard has been reinforced from Lee's army.

No report has been received by the Department concerning the casualties of our army in its operations Major Morton, mentioned yesterday, Gen. Sherman reports that the enemy gave way

last night in the midst of storm and darkness, and at daylight our pickets entered his lines from our right to left. The whole army is now in pursuit as far as the Chattabooche. I start at once for Marietta. No military intelligence from any other quarter has been received to-day. (Signed)

which are now recommended by the highest medical authorities, and warranted to produce an immsdiate beneficial effect. They are exceedingly agreeable, perfectly pure, and must supersede all other tonics where a healthy, gentle stimulant is required. They purify, strengthen, and invigorate.

They create a healthy appetite. They are an antidote to change of water and diet. They overcome effects of dissipation and late hours. They strengthen the system and enliven the mind. They prevent miasmatic and intermittent fevers. They purify the breath and acidity of the stomach. They cure Dyspepsia and Constipation. They cure Diarrhea, Cholera, and Cholera Morbus.

They cure Liver Complaint and Nervous Headache. They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated Calisaya bark, wintergreen, sassafras, roots, and
