THE NEWS

FEBRUARY 5, 1864.

The case of the Chesapeake is apparently as far Witness of Saturday last the following :--

The Court of Vice Admiralty met again on Wednesday last and did nothing. The next meeting will be held on Wednesday next. We learn that aid before the British public :--

A singular event lately occurred in the port of Boston, illustrative of the unsettled state of the master and crew, declared they were Confederates, well, and is in excellent health. and took the steamer into their own hands. Instead of heading southward, however, they went farther north, and put into a port in Nov Sacotia for a supply | infant Prince, says :the capture was made in British waters she was New Year's gift all the more welcome because it ful taken into Halifax ; but a demand for the delivering fils the promise of the Old Year and holds out the probably be complied with.

Chesapeake, and now prisoners here, is prosecuted resolution, watching with care and dread the threat with the usual delay in such matters. Some twelve ening signs of the times, determined, if possible, t-Saturday morning last from Canada, by the way of tation that we shall, somehow or other, sooner o Grand Falls and Frederiction, and several of them later share them. But this event suddenly break were examined as witnesses. It was supposed that on our view with an aspect of hope and promise other evidences would be examined on Monday, but It reminds su that we are a united and prosperou proceedings will take place until Weduesday next.

the evening by the Cadets, is certainly a very origi- of nations may bring. nal juvenile orator. He gave a graphic descrip- "And now that we have run the round of all othe.

receive it from the Mayor of the city. The recitation of the last two years." of Master William Hatheway-a very little boy of the most winning demeanor-was very touching. The audience ratified the decision which assigned to Europe, we take from the London Record : him the medal for the best recitation.

favor. We have not room for a full report, but we tered It is useless any longer to blink the fact of th direct attention to some of the facts by which it was critical state in which the affairs of Europe are jusillustrated. He stated that great as was the income now placed. Peace hangs literally upon a thread, an of that noble institution, the British and Foreign upon a thread which may be snapped at any momen by the folly or obstinacy of any one out of half revenue for the last year, to pay for the spirituous dozen different foolish and obstinate individuals. The liquors consumed in New Branswick in 1863. We New Year's speech of the King of Italy is just one o looked with fear and wonder at the war-debt now those straws which shows, but too clearly, which being contracted in the United States. The interest way the wind blows. In itself, its wishes and assuof that debt on each inhabitant was not equal to the rances are comparatively harmless. Victor Emma average expenditure for spirituous liquor of every in- nucl is, of course, perfectly at liberty to talk of th dividual of our population. Since 1856 we have future deliverance of Italy, and to call upon the nation spent \$5,800,000 -five million, eight hundred thou- to trust its Sovereign. But such phrases as thes sand dollars-on spirituous liquors! In return must be interpreted by the context, and it is the for which a few persons had been enriched, and which imparts to them an alarming significance. The that was all. No! it was not all. We got in truth is, as the mitiated are well aware, that the Re return, broken constitutions, criminals, inmates for galantuomo is rapidly becoming intoxicated by suc lunatic asylums, vacant seats at the social board, cess, as exemplified in the improved discipline and ruined young men, the happiness of daughters affianced gallant bearing of the Italian army. There is little to men given to intemperance, destroyed, and the whole doubt that he now really regards himself as a matel fabric of society imperialed. Ought we to invest for Austria upon the line of the Quadrilateral, alway capital in such an enterprise? In 1863 we spent provided that internal tumults render her unable to \$550,000 on intoxicating drinks, a sum which would despatch her whole force to the points of danger. A pay all our now under-paid clergy, meet all European war, so reason the advanced politicians o our taxes, and educate all the people. Mr. Tilley Italy, would involve an uprising in Hungary, anquoted figures to prove the very gratifying fact that then, in every sense of the word, Austria's extremity great as is the consumption of liquor in the Province, would be Italy's opportunity. The army of Italy, t is very much less per head than it formerly was. now full 300,000 strong, is in fact, so 'overgrown at In 1825 the average consumption of spirits to every armament,' that the difference in cost between it man, woman and child in the Province, was the mere maintenance and its active employment is no moderate allowance of fice gallons: last year it was longer a very formidable figure. The strength of i only 11 gaffons. He hoped that the time was not far is out of all proportion to the internal necessities, a distant when this quantity would be still further well as to the internal resources of the country, and reduced, nay, when it would altogether cease; then can be only justified by the menacing attitude of the Chief of Police whom he saw in the hall would Austria on the one hand, and the inconsistent beha find that his "occupation was gone." At the close viour of France upon the other. If the Italian army of Mr. Tilley's speech, which elicited hearty cheers, is to be maintained upon its present footing, and there were loud and repeated calls for 'Boyd!' to which accession of territory can alone stave off national Mr. Boyd very reluctantly responded in a few happy insolvency. There is reason to believe that Victo. remarks, with which, and the playing by the band of Emmanuel and his immediate advisers are quite pre the national anthem, the proceedings terminated .- pared to face the former contingency, and to invok

day by His Honor General Doyle, the Administrator need not say, but that they are seriously contempla of the Government. John C. Wade, Esquire, was ting striking an early blow for Venetia, if not fo. elected Speaker. The speech contains nothing of Rome, we have reason to know. any particular interest.
