Westmorland Co., N. B. The following Certificates speak for themselves :--Rockland, Dorchester, April 11th, 1864. With pleasure I inform the world that one year ago Dr. W. S. Foshay was sent for to see my sister (P. A. Me-Laughlan), with a Cancer in the side, which was supposed to be too far advanced to be cured. I also had one in my arm, one inch in diameter, which he removed in a short time by applying plasters, with very little suffering, and has been perfectly sound ever since; and I know of many others that he has cured, and would advise all persons to

DR. W. S. FOSHAY, Rockland,

MRS. DAVID TAYLOR. Grand Diy, K. C., May 4th, 1864. I am happy to inform my fellow creatures that I had a Cancer in my face, of nine years standing, and about breaking out. It was one and a quarter inches in diameter, and through the cheek. I had it examined by a number of the doctors, who could not do anything for me. I applied Dr. Foshay, who removed it in a short time with very little suffering. I would advise all to employ him in casea of Cancer, for he makes sure and quick cures.

Memramcook, June 2d, 1854. This is to certify that I was afflicted with a Cancerous fumor in the side of my face, extending from the ear to the angle of the jaw, and two inches in width. This is to certify that I had a Cancer in my under lip; I had it examined by Dr. Wilson, of Dorchester, who told me that it was a Cancer, and a bad one, and the sooner it was out the better.
