**WARREN'S
COUGH BALSAM!**

IT HAS BEEN FOUND BY EXPERIENCE TO BE THE
BEST REMEDY
for the various diseases of the Throat, Chest, and Lungs, such as
Croup, Asthma, Bronchitis, Whooping Cough, Consumption, Pleurisy, Pneumonia, Catarrhs, and Inflammation of the Lungs, and all other affections of the Throat, Chest, and Lungs.

OF THESE COMPLAINTS, this Medicine has no superior; and while thus efficacious, it is perfectly safe to administer to persons of all ages. At all times of the year, whether cold, hot, or temperate, it cures the cough, whether in winter and spring; and many Colds and Coughs, once neglected, might prove fatal, may be cured at once by the use of this valuable medicine. The Cough Bal-sam possesses the two-fold advantage of being once valuable as a curative, and invaluable as a preventive of all the diseases of the Throat, Lungs, and Chest.

OF ASTHMA, this Balsam has proved itself exceedingly efficacious. When used at the onset of the disease, it checks it at once; and in many instances, cured by those who have taken it, to have saved their lives.

OF BRONCHITIS, however violent and distressing, this Balsam gives prompt relief.

OF CONSUMPTION AND PNEUMONIA it relieves the irritation, lessens the Cough, and promotes a favourable expectation.

WHOOPING COUGHS, its powers are almost magical. This insidious disease, coming literally "like a thief in the night," can be speedily and effectually arrested by a few timely doses of this Balsam.

OF WHOOPING COUGHS, it moderates the paroxysms, vents the disease from assuming its severest and dangerous form, and in every case, if judiciously administered, every family should keep it in the house, and thus avoid dangerous delay occasioned by sending out for the medicine, and the inconvenience of waiting for it.

The best recommendation for this Balsam, is found everywhere. If the following certificates from persons who have used it, do not give you confidence in it, try one bottle yourself, and you will be convinced. It will cure your Cough, Croup, Whooping Cough, Pleurisy, Pneumonia, Catarrhs, and all other affections of the Throat, Chest, and Lungs. You may save us as many dollars as you wish, and we will send you as many bottles as you want, free of charge.

I have used it myself, also in my family and Department, and recommend it to the public generally.

EDWARD LOW, Provost Marshal.
I feel all pronounce the Cough Bal-sam to be the best remedy for Croup, Asthma, Bronchitis, Whooping Cough, Consumption, Pleurisy, Pneumonia, Catarrhs, and all other affections of the Throat, Chest, and Lungs. I will send you as many bottles as you want, free of charge.
CHARLES W. HAYWARD,
From Ex Mayor Hayward.

BANKERS, Sept. 10, 1864.
