N MIT HE WARDER OF LEADING TO LOAD AND AND A MIT HE PARTY AND A MIT AND A MIT

(From the Globe.)

FREDERICTON, May 19, 1865. five members-Messrs. Perley, Lindsay, Connell, other items in the estimates were then pushed through without opposition, except that for Emigration purposes, which Mr. Sutton characterised as a waste, although he would not now oppose it, but would recess. Supply is, therefore, granted, and the ex- reasons urged, viz., the giving of Denominatonal penses of the country are provided for. The Chairman having reported the resolution to

the House, Mr. Wilmot stated that the hour was rath-er late, it being past six o'clock, or he would reply to some remarks of the late Surveyor General, in refersome remarks of the late Surveyor General, in refer- institution assistance. Messrs. Wetmore and Anglin ence to the financial state of the country when the contended strongly for this section passing as it stood, present Government took office, but would merely but they were out-voted by a majority of one. Anstate that they found \$7,000 in the Treasury, and glin then moved that progress be reported, promising \$6,900 and upwards of this sum had to be paid out a to b i gt up again on Thursday when more memtew days afterwards. However, when the Bill for bers would be in their places. He said that he was issuing debentures to lift Provincial bonds, which very anxious for the passage of the Bill, and was come due in about a year, comes up for discussion in content rather than fail in the matter to have the disa few days, he would take an opportunity to refer to puted section struck out altogether. the financial state of the country at some length. Hon. Mr. Gillmor laid before the House copies of BLACK WOOD'S MAGAZINE for April has been on our 150 other officers and 12 vessels. Post Office returns for the past year. table for a week or two. Perhaps the most interest-Hou Mr. Smith stated in reply to an inquiry of Mr. ing article in this number to the solid reader is the Lindsay yesterday, that the Lieutenant Governor excellent one on Earl Russell, which contains a great had refunded to the Province the disputed increase in his salary for three quarters of a year, which was all amount of useful information on the times and poli. he had drawn at the advanced rate, and there was tics of this nobleman. Cornelius O'Dowd upon Men every prospect of a satisfactory understanding between and Women and other things in general, will, of the Government and His Excellency on the subject. course, interest the lovers of light reading, and those FREDERICTON, May 22. who enjoy the description of men and things. These, with other articles, make up an interesting number. The House went into Committee on the Militia Bill. On Saturday evening they had got as far as the For sale by Messrs. McMillan, agents for Blackwood 24th section. The discussion was commenced on and the British Quarterlies. this to-day, Mr. Cudlip moving in ammendment that Our thanks are due to Julius Inches, Esq., the Commander-in-Chief should not have the power of designating the Battalions from which the Com- of Fredericton, for several numbers of the London panies for exercise are to be drawn save by and with Daily Times. The vast amount of news and general the advice of the Executive Council. intelligence in these papers is quite astonishing to The amendment was lost by a large majority voting against, only nine members standing in its those familiar only with our penny Provincial trifavour. It was amusing to hear the warmth with weeklies. which Mr. Smith spoke on this subject, being perfect-PRESENTATION. - We are pleased to learn that the ly willing to trust his dear friend the Governer with Rev. Mr. Baird has been the recipient of a large and any amount of power. Certainly times have changed since the hon. member from Westmorland was in beautiful Time-piece, valued at \$30. The liberal donor of the gift is Mr. H. Glasgow, morland, and told him that he (Mr. G.) appeared to 52 Dock Street, who has one of the largest establishhave a perfect understanding with the members from ments of the kind in this city.

FREDERICTON, May 23. The question of any interest that occupied the attention of the House was the Bill introduced by The work of mailing tay letter last evening pre- Hon. Mr. Anglin for the erection of Reformatory vented my hearing Mr. McMillan's remarks, for on schools throughout the Province. The Hon, mover returning to the House I found that Mr. McClellan introduced his Bill by briefly referring to the neceshad the floor, and was declaring that the grant of sities which existed for reformatory institutions, \$30,000 to the Militia was a concession of the princi- and also stating the object the framers of the docu-\$30,000 to the Militia was a concession of the princi-ple of Confederation, on the part of the Government, ment had in view. It would appear that the Bill has It would appear that the Bill has and a most ill-timed one, too. The first duty of every and a most ill-timed one, too. The first duty of every they cannot make as much profit as on other persons' make. I lodged in Fortress Monroe, and it is said his family they cannot make as much profit as on other persons' make. free people was their duty to their state, but he was John, who have long felt in common with many opposed to so large a grant until he had opportunity philanthropic individuals of the most respectable examining the bill under which it was to be ex- standing that an institution such as this Bill has in pended. This was only now laid on the desks of view has long been a desideratum in that city. The members and had not yet been examined. Mr. McC.'s Bill provides that the Reformatories shall be built at allusions to Confederation brought out hon, members the expense of, and contracted entirely by, private on the same subject, and although the question was securities; that whenever a body of persons numberby no means discussed, many good hits were male ing five and upwards shall form themselves into a and much warm th shown by some, and considerable society and procure certain proper Buildings and mirth created at Mr. Cudlip's expense, on the Attor- grounds at their own expense, the Government shall ney General reading an extract from a Canadian pa-per, which stated that " a Mr. Cudlip, agent of the arrest and puntshment of children committed to their steamers to Boston, had been run against Confedera- care. They shall have the power also of apprentiction and succeeded, by the free use of American mo- ing the children to farmers, merchants and tradesney in defeating the Confederation candidates." Then men, and the power to recall them from such apprena speech by Mr. McGee in Canada was referred to, ticeship whenever their conduct deserves chastisement. in which that gentleman said that the battle at the At any time the Governor and Council may appoint polls in New Brunswick was Confederation against Commissioners to inspect the Institution, and if the American money and influence, annexation against affairs of the Institution are found in a state of disorcolonisation. These statements found their way to der and badly conducted, the Government have the Mother country, and were maliciously circulated power to withdraw the charter and also their supand promulgated there; and the people at home, ig-norant of the real state of affairs, naturally enough became clamorous that we should assist in our own ed; the 1st is by voluntary contributions. 2ndly. defence. These statements everybody knew were The Grand Jury on City Council of each town and without foundation, for no man could charge the County may assess their municipalities for the supparty opposed to Confederation with being disloyal. The charge was too absurd to require denial, and the The charge was too absurd to require denial, and the present grant for militia purpose was an earnest to Council may contribute to the support of the Instituthe mother country of our loyalty and desire for tions. In each reformatory there is to be a certain British connection. Mr. Kerr and others took the form of religion taught, for instance in that under the same view. Mr. Gilbert's motion that the grant be control of the Romanists, nothing but Roman Cathoreduced to \$10,000 was finally put to vote and lost. Jic doctrines shall be inculcated, and so on with those Then Mr. Lindsay moved that it be \$20,000, and but under the supervision of the different Protestant sects. Mr. Anglin stated that this last clause he consider-McClellan and Gilbert-voted for it, Mr. McMillan ed absolutely necessary, and it had been found to and others who opposed the original grant because work exceedingly well under an act which had passed the Militia Bill was not before the House, voting the Imperial Parliament, and of which this is almost against the amendment. The original appropriation a literal transcript. He contended that a child in was then voted by the same vote-32 to 5-Mr. Cos- order to make a good citizen should have more than tigan making the last speech in favor of the grant, a merely moral training. There was no such thing and a very sensible one too, saying among other things, as non-sectarian religion. He wished every child to that the grant could not be construed into an admis- be brought up in some real, sound, substantial, relision on the part of the Government of the principles gious belief, and ridiculed the idea of State Instituof Confederation, but it carried out the real policy of tions, which aimed at inculcating but a vague beathenthe Anti-Confederate party, that the Government and ish morality. Many of the members objected to the country were willing to assist in its defence without Bill on the grounds that it was not only sectional but szcrificing its independence to any country. All the sectarian-maintaining that St. John was the only place in the Province which stood in need of such an institution, and it was therefore unfair to tax the peo- assassination conspirators will probably be all in tople of other districts for its support. It was also urged that if the Government had the power to grant most certainly do so next year unless some returns a certain sum of money for this purpose, there would commensurate with the outlay could be shown. He always be a pressure brought to bear that would was seconded by Hon. Mr. Smith, who said that it wring every penny devoted to that purpose out of the was "periect nonsense," and that he would have Provincial chest. It was also said to be favoring a the matter considered in the Government during the principle against which there could be a great many
