RADWAY'S READY RELIEF

THE UNIVERSALITY OF RADWAY'S READY RELIEF!

Price 25 Cents. The Cheapest and best Medicine for Family use in the Word!

ONE FIFTY CENT BOTTLE Will cure more complaints, and prevent the system against sudden attacks, or epidemic and contageous diseases, than One Hundred Dollars expended for other Medicines, or

Medical attendance. The moment Radway's Ready Relief is applied externally-or taken internally, according to directions-pain, from whatever cause, ceases to exist.

ASIATIC CHOLERA. In 1849 Radway's Ready Relief cured over 10,000 persons, seized with Asiatic Cholera, and by its timely use as a preventive, saved over one million of lives.

YELLOW FEVER. In 1858 Radway's Ready Relief cured thousands of persons seized with Yellow Fever. As a preventive of this terrible disease, Dr. Frederick B. Page, of Mississippi, urged its use to the medical boards of the Southern States, and publicly recommended it as the most certain safeguard in the world. DURING THE WAR

More lives were saved by the use of Radway's Beady Relief than from the best efforts of the medical staff. We have hundreds of letters proving this fact. We have the evidence to prove that in cases where men, by exposure to malarious swamps, bottom lands, rice fields, etc., used Radway's Ready Relief, invariably escaped sickness; those who did not, were seized with Dysentery, Swamp Fevers, Billious Fevers, Diarrheea, Cholera, Rheumatism, &c., and those only who, when thus seized, used the Ready Relief, entirely recovered.

ITS UNIVERSAL USE. It cures the worst diseases incidental to all climates. It has been tested in Asia, Africa, South America, Europe, East and West Indies, and cured the worst forms of Cholera, Dysentery, Fluxes, Fevers, Yellow Fever, Swamp Marsh, Ship and other Fevers-and never failed in protecting persons who used it as a preventive against attacks.

WHY NOT? If Radway's Ready Relief possesses such remarkable isinfecting, neutralising, strengthening, aperient, suodoific, anodyne, and other properties, as to cure the worst forms of disease as they exist, in the most sickly climates of the world, and where the poisonous malaria is so thick that you may almost "cut it with a knife," why not cure, with the great ease it does, all sorts of fevers of the milder ype, in our own climate? Diarrhoa, Dysentery, Fever

and Ague, Billious Fever, Influenza, &c., are but the milder and weaker forms of the more terrible diseases. If it cures the werst forms as they exist in the most sickly climates, it will readily cure the less as they prevail amongst DOMESTIC PURPOSES. Every family should be provided with a bottle of RAD-WAY'S READY RELIEF. One bottle costs only 25 cents, and this bottle can be used for various purposes, with the

prescriptions. If suddenly seized with sickness, the use of the Relief will instantly arrest the disease, and afford immediate ease to the patient. TEN YEARS' RHEUMATISM CURED

by rubbing the Spine with Radway's Ready Relief. Robert Elv. Esq., aged sixty, had been afflicted with Rheumatism for ten years. For the past twelve months be was confined to his room, perfectly helpless. His hmbs were distorted, swollen, and mishapen; his hands cramped, so that he could neither move his fingers nor open nor shut his bands; rheumatic pains ran riot a lover his body; moving him from his bed involved the most intense suffering. He was induced to have his spine rubbed one hour, morning and night, with Radway's Ready Relief. The first rubbing gave him case; a few successive rubbings relieved him of pain; one month's application of the Relief, and a few doses of Radway's Pills cured him. He is now a well and hearty man, and uses the Relief and Pills occasionally

A FAMILY MEDICINE.

As a family medicine, it is the most useful remedy known to the world. If seized with pain or sickness, or threatened with any malignant disease, its use will quickly cure the patient and protect the system against attacks. minutes after the application of the Ready Kelief externally, or its administration internally, the patient, seized with the most excrutiating Pains, Aches, Cramps, Rheumatism, Neuralgia, Gout, Lumbago, Fever and Ague, Spasms, Sore Throat, Influenza, Diptheria, Congestion or Inflammation, will enjoy ease and comfort.

IMPORTANT .- To Farmers and others residing in sparsey settled districts where it is difficult to secure the services of a physician, Radway's Ready Relief is invaluable. It can be used with positive assurance of doing good in all cases where pain or discomfort is experienced, or if seized with Influenza, Diptheria, Sore Throat, Bad Coughs, Hoarseness, Billious Colic, Inflammation of the Bowels, Stomach, Lungs, Liver, Kidneys; or with Croup. Quinsy, Fever and Ague, or with Neuralgia, Headache, Tic Doloreux, Toothache, Earache, or with Lumbago, Pain in the Back, or Rhematism, or with Diarrhosa, Cholera morbus, or Dysentery, or with Burns, Scalds, or Bruises, or with Strains, Cramps, or Spasms. The application of Radway's Ready Relief will cure you of the worst of these complaints in a few hours.

RHEUMATISM .- This painful disease has baffled the nost skillful physicians and popular remedies. It is the nost difficult of diseases to treat yet RADWAY'S REA-DY RELIEF has never failed in affording immediate relief to the sufferer; and in all cases of Acute, Inflammatory or Nervous Rheumatism, to effect a permanent cure. Shronic Rheumatism and Gout, RADWAY'S CLEANSING SYRUP, called Renovating Resolvent, should be taken as an adjunct with the Ready Relief.) Sold ty Druggists everywhere.

MESSES. ROGERS & Co. Gents :- I must certainly confess that yours is the best

Ointment ever found out for Cuts (old or new), or Inflammation of any kind. I know of one case-a lady in Guysboro', whose leg was fearfully swollen, from her ancle having been broken some time before, and the leg used to swell and cause her great pain. They sent to me for some of the Ointment, and her husband wrote me it acted like a charm in subduing the inflammation, and giving instant relief. I think you had better put some of it up in smaller and cheaper boxes.

I think when it becomes known, it will be universally used. I put it in my Eyes. They were weak, and it done them much good.

It took a wart off one of my Cows' eyes that nearly blinded her. In three times rubbing it took it off as if it was cut off with a razor. You will hear from me again soon. Your obedient servant,
