AND WENT AND TOLD JESUS. MATTHEW iv. 12.

Go and tell Jesus, when thy heart is full Of keen and bitter agony and woe; When the dear, precious form of one beloved Is taken from thee, -in the grave laid low, Go and tell Jesus; he will soothe thy grief, To thy poor, sorrowing spirit bring relief.

Go and tell Jesus, when thy sins arise In dread and dark perspective to thy sight; "Saviour, I am unclean, unclean, -O, save ! O cheer my gloomy way with thy clear light !" Go and tell Jesus; he will speak to thee, "Be of good cheer; thy sins shall pardoned be."

Go and tell Jesus, when thy heart is glad, And hope, and joy, and friendship crowd thy way Ask for his sanctifying grace o'er all, That nought may cause thy heart from him to stray; Go and tell Jesus, making joy more bright, Shedding o'er all thy path a holier light.

Go and tell Jesus, when thy weak heart fails, In looking through the mist of coming years; Thou think'st of sorrow, pain, and loneliness, And the bright world seems but a vale of tears; Go and tell Jesus; he will say to thee, "I thy good Shepherd am, O trust in me!"

Go and tell Jesus ; so shall he be thine, And sweetly will he come and dwell with thee: Tell all to Jesus, so shalt thou be his,

His through all time, and all eternity: "Saviour, I come; O, teach me how to pray, Thou only canst; my Life, my Truth, my Way." Leaves of Comfort.

I think I can see the little boys and girls running in every direction, begging each other's forgiveness. Well may it be called The Golden Rule; and if it were not so plainly implied in this and the other Commandments, it might well be added to them, and make eleven Commandments. Another fact will illustrate this.

Two merchants of the same city, being neighbors and jealous of each other, lived in constant enmity. After a time one embraced religion, which taught him the wickedness of hating his neighbor. He consulted a pious friend in whom he had great confidence, how he should manage to effect a reconciliation with his neighbor. His friend advised him, whenever any of his customers wanted an article that he had not, to send them to this man for it. He did so. The other merchant, being informed by these persons that Mr. C-his neighbor directed them to his store for such an article, was so much struck with the kind offices of one whom he had viewed as his enemy, that he went immediately to his house to thank him for his kindness, and begged his pardon with tears in his eyes for the hatred he had entertained against him, and besought him to admit him ever after as one of his intimate friends. His request was granted, and they soon became united in the bonds of Christian

My dear child, go thou and do likewise. If you know any little boys or girls that have wronged you, do them a good turn whenever you can, and they may soon become your best friends. Love your neighbor as yourself: this is the spirit of the whole law; this is the spirit of Jesus Christ. He coveted no man's silver or gold or apparel; although the world was his, with the fulness thereof, yet he had not where to lay his head. It was his meat and drink to do the will of his Father who sent him.

I want von all to bear in mind that it is by the law laid down in the Ten Commandments that you are to be judged in the last day. This law is recorded in God's book in beaven, and the name of every boy or You, my dear children, may think this very girl that has ever lived, or ever will live, is written strange; but it is the general result of a covetous, there too. THE GREAT NEW ENGLAND REMEDY DR. J. W. POLAND'S WHITE PINE COMPOUND! "It was early in the spring of 1855 that this Compound was originated. A member of my family was afflicted with an irritation of the throat, attended with a disagreeable cough. I had for some months previous thought that a preparation, having for its basis the inside bark of white pine, might be so compounded as to be very useful in the case of the throat and lungs. To test the value of it in the case atluded to, I compounded a small quantity of the medicine that I had been planning, and gave it in teaspoonful doses. The result was exceedingly gratifying. Within two days the irritation of the throat was removed, the subsided, and a speedy cure was effected. Soon after this, I sent some to a lady in Londonderry, N. H. who had been suffering for some weeks from a bad cough, occasioned by a sudden cold, and had raised mucus streaked with blood. She soon found relief, and sent for more She took about ten ounces of it, and got well. S. B. Clark, Esq., editor of the Manchester Daily Mirror, made a trial of the same preparation in the case of a severe cold, and was cured immediately. He was so highly pleased with the results, and so confident of success attending its sales, if placed before the public, that he finally persuaded me to ve it a name and send it abroad to benefit the suffering. November, 1855, I first advertised it under the name of White Pine Compound. In two years from that time there had been wholesaled in Manchester alone one hundred dolarss' worth, where it took the lead of all the cough remedies in the market, and it still maintains that position. There is good reason for all this. It is very soothing and ealing in its nature, is warming to the stomach, and pleasant withal to the taste, and is exceedingly cheap. 'As a remedy for kidney complaints, the White Pine ompound stands unrivalled. It was not originated for that purpose; but a person in using it for a cough, was

not only cured of the cough, but also cured of a kidney difficulty of ten years' standing. Since that accidental discovery, many thousands have used it for the same com- tish Life. For sale by (mar 9.) BARNES & CO. laint, and have been completely cured.' The above was written by Dr. Poland in 1860. Since then, as in Manchester, the White Pine Compound has taken the lead of all cough remedies, as well as preparations for the cure of kidney difficulties, in every city, town, village, and hamlet throughout the New England States. The past year has given great opportunity to test the virtue of the White Pine Compound. It has been an unusual time for colds and coughs, and very large quantities of the White Pine Compound have been sold and used with the happiest effects. It speaks well for the Medicine; and the people where it is prepared are high in its praise.

One bottle of the Compound is generally sufficient to remove a bad cough, and frequently I have known persons to have a cold entirely removed in two days, by using less han half a bottle. From one to two teaspoonfulls is a arge dose. I sometimes put a little white sugar and hot

water with it when taken on going to bed. The limits to which I purposely confine myself in this Circular, will not allow of that full expression which I would like to give in favor of the White Pine Compound t is universally admired by all who use it: it has attained such a popularity among those whose opinion is valuable | Draper. For sale by indeed, that VANITY may probably in part prompt me to ecord more here than hurried people will have patience to read; so I will stop, by merely recommending it to all who need a cough or kidney remedy, to test the virtues of the WHITE PINE COMPOUND.

#### TESTIMONIALS.

A very large number of important testimonials have already been received from Physicians, Clergymen, Apothecaries, and indeed from all classes in society, speaking in the most flattering terms of the White Pine Compound. A Slight Cold, Cough, Hearseness, or Sare Threat, which might be checked with a simple remedy, if neglected, often ter-

minates seriously. Few are aware of the importance of stopping a faugh or Flight Rold in its first stage; that which in the beginning would yield to a mild remedy, if not attended to, soon attacks the lungs.

Braun's Branchial Fraches were first introduced eleven years ago. It has been proved that they are the best article before the public for Caughs, Rolds, Branchitis, Asthma, Calarrh, the Hacking Cough in Cansumption, and numerous affections of the Threat, giving immediate relief. Public Speakers and Singers,

will find them effectual for clearing and strengthening the voice, Sold by all Druggists and Dealers in

Medicine, at 25 cents per box. July 20, 1864.—vi.

P.S.-All orders attended to with punctuality and dis-CAUTION! CAUTION! CAUTION! PHE Proprietor of PICKSTONE'S WASHING AND CLEANSING CRYSTAL, deems it his duty to caution the public against spurious imitations of his highly celebrated Washing Crystal, which is the most harmless compound extant. It is free from Lime, Vitriol, and all other deadly mixtures so common to be found amongst washing compounds. Try Pickstone's Washing Crystal,

if you want ease, comfort, and economy in washing, which washes every thing, and has rapid sale.
It will be found invaluable for the following domestic purposes, viz :- It washes all fine things, such as Muslin Lace, Crotchet Work, Baby Linen, &c,; cleaning Sponges, Combs, and Brushes; removing stains from the hands, and grease from Carpets, Cloth, Flannel, &c. It makes Hard Water Soft, and may be used with good effect in Baths, as it immediately removes all condensed perspiration from the skin. A small quantity should also be used in the foot and a first class CUTTER, to attend to this by dissolving a teaspnonful of the Crystal in a quarter of a pint of water; and for cleansing the Mouth, Teeth, and Gums, it is quite a luxury, by adding a teaspoonful to a tumbler of water. It renders linen beautifully white, and

unlike other preparations, at the same time preserves the fabric. It contains nothing injurious to life. A child cating it by mistake, will not be injured. If you have not used this Cleansing Crystal, lose no time in obtaining it. Nothing has ever been introduced into this country which has effected such a wonderful change upon Washing Days. It saves your time-saves your clothes-saves your money; and it does not injure the most delicate hands. Pickstone's Cleansing Crystal makes washing a pleasure, reduces the cost of fuel, the wear and tear of labor, and improves every article washed. For Linens, and heavy washes, it cannot be surpassed; for Laces, and line fabrics, it is unequalled. It does not njure the color of Prints, but strengthens and improves them - by its use they retain their original brilliancy. Flannels become white and soft like new. White things are much improved, and keep their color, even if put by for months. Thousands of Families made happy! No misery

on a Washing Day, with Pickstone's Cleansing Crystal.
