BRITISH AND FOREIGN.

ENGLAND AND THE WAR .- The nations of the Continent are wasting their treasure and spilling their bloud in a desperate conflict of arms. Even France ! has so deep an interest in the contest that she keeps while, England, skillfully avoiding every entanglement, careless alike of her relationship to Prussia and her ancient alliance with Austria, maintains a serene neutrality, and continues her industry and her public policy, both at home and abroad, wholly undisturbed by the quarrels among her neighbors upon the Continent. She does not take sides in the war, nor does she care to be called in as an arbiter of peace. She is content with her position of being her-dered the inhabitants to provide themselves with self at peace with all the world, and garnering up provisions for three months. the means of wealth and enjoyment, while others are engage i in the ruthless work of waste and destruction. What there is in a policy and position like this

in and peaceful trade without-combined with intellithrone to divide with France the political mastery of considerations. Europe. She has been but imperfectly successful, it is true-for her insular position is not favorable to her attempts to control the affairs of the Continent Alhevi at Rovigo. have retarded rather than advanced her progress in civilization and freedom.

The last occasion on which Great Britain was involved in one of these frequently-recurring struggles for Continental adjustment was the Crimean war, and sh; certainly gained there neither advantage nor glory, while she has yet scarcely ceased to mourn tion. A special committee was formed. or the losses she sustained. When now the nations of Europe are again armed for a similar contest, how much wiser is it in her to stand aloof. While they will fight she will work. While they will exhaust unchanged, their treasuries, she will replenish hers. Well can she afford to abandon to them all the glory of these bloody campaigns for the substantial benefits which | vention or arbitration, she will still remain in possession of solid advantages of which no diplomacy can deprive ner. She will have increased her resources and enlarged her prosperity, and she will thus have securced for herself a position which every Re de Italie sunk by collision at commencement of war will regard with envy .- N. Y. Paper.

ARRIVAL OF THE "CHINA."

eption, *

THE WAR .- A portion of the Prussian army had crossed the river Marsch, near Holitz, in Hungary. Archduke Albrecht had issued a proclamation annigrant ioni for

many.

peace.

The Frankfort contingent had been disarmed and lisbanded, and the military clubs closed. Frankfort had paid a contribution of six million floring towards the maintenance of the Prussian roops.

The Prussians occupied Wiesbaden and Hochst. The Prossians had commenced a regular siege on the Federal fortress of Mentz. Boats on the Rhine are now allowed to pass the fortress.

The proposed truce between the Prussians and Bavarians had failed. The Bavarians declined to accept he conditions offered.

Correspondence from Vienna state that the Ausrian forces gathered together for the defence of Vienna to be estimated at 400,000 and 600 field guns. 100,000 men are said to be crowded within the enbetokened a conflict as inevitable.

A despatch from the headquarters of Garibaldi, There have been a number of cases of cholera in dif-

time for the settlement of details and signature of Agricultural lands of the province are to be sold hereafter at one pound per acre and pastoral lands at Suspension of arms implies preconcerted agreement. on basis of pacific arrangements ; objects of war vir- Han would again make trouble. ten shillings per acre. It was feared that the Han

tually attained by Prussia, would lose all by defeat at Fiorendorf, and could win little beyond victory. Austria, on the other hand, if defeated, weeta risk

being swept from the face of Europe, while if victo- footing. rious could hardly hope to regain position in Ger-NEW YORK, Aug. 1.

The following despatch dated London, July 80, has been received :---A great reform meeting was held to-day in this

city ; 800,000 people were present. Resolutions were adopted declaring that they had no faith in the Government.

Petitions were read, which are to be presented to nouncing his assumption of the command of the Aus- Sir Richard Mayne, Chief of Police. Parliament demanding inquiry into the conduct of
