Arrival of Dr. Lewis La'Mert in St. John, N. B. LA'MERT, of 37 Bedford Square, London, Member of the Royal College of Surgeons of England ; Doctor of Me-dicine of the University of Rostock, &c., begs to inform his Patients, and others seeking confidential Medical Ad-vice, that he has arrived in St. John, on a Professional vi-sit, and may be consulted on all cases of Nervous and Physical Debility, and Local or Constitutional Weakness, daily, for a limited period only, at 182 St. Jamea' Street, corner of Wentworth street,) St. John.

The great experience derived by Dr. L. La'Mert both, whilst assisting Dr. Samuel La'Mert, of London, in his extal Europe, affords an ample guarantee, to those seeking advice, of being under the care of a legally-qualified Prac-titioner. Dr. L. La Mert's name is to be found in the 'Medical Register,' published under the Authority of the Medical Council of Great Britain, and is, consequently, not to be classed with the names -- in many cases assumed--of a horde of adventurers, who, through the public press seek to impose upon the credulous and unwary, by the publication of pretended qualifications and the advocacy of specifics, that are never beneficial, and in most cases positively

WHERE WILL THE POPE GO ?- The London Method. ist Recorder says: " England is now the great hope of the Church of Rome. As you travel through Italy, and converse with the priests, you will not now find a man of them who regards the state of that country as hopeful; but you will find hundreds of them pointing to England as the country that is to restore the broken fortunes of the Church. It is not so much the actual proselytism to Popery which inspires this hope; it is the present state of things in the Church of England." Other advices point towards Malta as the foture asylum of the Pope; and others speak of Jerusalem.
