Atlantic Cable .- The Atlantic Telegraph Co., held a special meeting on the 27th. The Directors submitted a report, congratulating the Shareholders on feasibility of erecting fortifications.' their success, and thanking those whose energy and

perseverance have accomplished it. The report asks the sanction of the shareholders to apply to Parliament for power to increase nominal capital to five millions sterling, including existing capital. The directors explain that they abandoned a proposition to issue one million two hundred thousand pounds, truly say it is successful. My hair, which was quit with first preferential dividends, as unnecessary, and grey, is now restored to its original color. I recominstead ask for power to issue the balance of the capital and apply to Parliament for increased powers. Right Hon. James S. Wortly, Chairman, said he anticipated at a very early moment a great reduction in Sept. 21st, the Cable carned forty-six thousand and forty-eight pounds, which would make an average, including Sundays and stoppages of land lines, of Cable could not work at all, the average would be | Sold by all Druggists. nine-hundred and sixty pounds a day. DANIEL & BOYD. (oct 4.) COTTON WARPS. WE would request the attention of those who use Cotton Warps, to the kind which we are now manufacturing at the NEW BRUNSWICK COTTON MILLS. We spin Nos. 7's, 8's and 9's, and they are warped and sized by machinery, thus saving much labor, and being better done than by hand. They have been extensively used through the Province during the last year, and have been proved to be both better and cheaper than any imported either from England or the United States. We intend to manufacture them largely for the next few months, and would wish parties in want of such goods to give them a trial. They can be obtained from the principal Dry Goods houses in the City and throughout the Pro-
