A later account says the roobbers were overtaken about two miles from Legrange, Ohio, Monday afternoon. A sharp encounter took place, in which one of the roobbers was wounded and three captured. One of them succeeded in making his escape. The amount of money recovered will probably ex- St. John's, 28th ult.

The President's Message was read in China fortythree days after it was read in Washington. It was telegraphed from Washington to San Francisco, and carried thence to China by a sailing vessel, that made the remarkably quick passage of forty days.

Wm. Hutchings, the last surviving revolutionary soldier in the State of Maine, and the last but three in the entire Union, died last week, at his residence | the failure was owing to the undue publicity of the in the town of Penobscot, Hancock County, Maine. He was in his 102d year.

BRITISH AND FOREIGN.

ARRIVAL OF THE "CHINA."

The steamship China, Captain Inglis, left Liverpool on 81 o'clock on the morning of the 28th, and Queenstown on the evening of the 29th ult. She arrived at Halifax at 6 A. M., on the 7th instant. She brought 48 Halifax and 83 Boston passengers. The Propontis arrived at Queenstown on the even-

ing of the 27th, had on board all the passengers and mails, fifteen stewards and the Purser of the City of

On the 2nd of April the City of Washington lost her propeller, and proceeded to Liverpool under canvas; on the 12th she lost her rudder; shortly afterwards, in lat. 46, lon. 221, the Propontis fell in with the City of Washington, and took off the above. The City of Washington continued under sail with temporary rudder for Queenstown. Assistance was to be sent to her. The news of her safety was received

with great delight at Liverpool. In the House of Commons, on the 26th., the debate on the Reform Bill was continued. Mr. Lowe made an able speech against the bill, and was followed by a host of others, pro and con, of

On the 27th, the final debate took place, and after many speeches, Mr. Disraeli wound up on the side of the Opposition in a long and forcible speh, denouncing Mr. Gladstone's advocacy of American principles, which he regarded as unfitted for England. At 1 o'clock, on Saturday morning, Mr. Gladstone

rose and made the final speech, warmly defending the introduction of Cholera. Government and denouncing the opposition tactics. ment, the division took place, numbers being—for the Bill 318, against it 314; Government majority 5. There was a tremendous cheering on both sides of the House at the result.

Austria must reduce her establishments to a peace footing on Italian as well as on Prussian frontier, or must otherwise expect the increase of Prussian armaments.

A Vienna telegram says, that the Austrian response to the Prussian note of 21st, acknowledges with much satisfaction its concidatory character, pointing out, however, that virtually Austria did not arm but only effected certain movements of troops, as an evidence of a peaceful aspect which the relations of two great German Powers had assumed.

movement of the forces concentrated in Bohemia, and officially communicated such arrangements to Prussia. A Berlin despatch says, that a considerable time before any war rumors occurred, the military authorities made preparations for drill of Landwehr; consequently about 40,000 men of Landwehr are to be assembled for military exercise in a few weeks.

The Federal Diet at Frankfort selected a committee

ITALY.-Late Paris despatch reports great uneasiness there from rumors asserting imminence of war. Bourse was affected. Italian stock offered at material decline. Italian Chamber of Deputies approved of Budget by 168 against 72. It includes income tax

cit to fifty million francs. FRANCE. - John Mitchell was writing letters in Opinione Nationale upon grievances of Ireland. In future letter, he promises to explain clearly what Fenianism is, and above all, what it is not.

LATEST VIA LIVERPOOL, 28th, Evening.-Papers generally regard vote on second reading of Reform Bill as Government victory only in name, but in reality a defeat. Various speculatians affoat as to course Ministers will adopt. The Times says as Government commenced session with estimated working majority of 160, the bare majority of five is in fact a vote of censure, and no administration will henceforth hope to persuade House of Commons to consider Reform proposals without laying entire scheme be-

Morning Herald says it is obvious the bill is 'ost, but whether Government will abide by its pledge, and fall with its bill, we are to learn on Monday. Morning Post says there can be no doubt, although Ministry have gained a nominal victory, they have in | Society, and remit the same to the Treasurer. truth sustained a fatal defeat. Nothing remains for them but to resign. The Star thinks small majority

as one of unparalleled excitement; cheering was taken up in galleries in spite of all rules of order.

Prussia is said to have declared that she could not consider the proposals of Austria for the disarmament as serious while she arms against Italy, and Austria must re-establish a status quo in Venetia if she expects Prussia to demobolize her troops.

The Vienna Abendpost declares that Austria is definite.y determined upon adopting energetic military measures in Venetia. The Paris Constitutionel affirms that Italy has neither made arrangements nor effected a concentra-

tion of the troops, and says that Emperor Napoleon earnestly desires the maintenance of peace in every to Miss Nettie, youngest daughter of Mr. B. H. Mabee, all

HAIR DRESSING! A dressing for Children's Hair, which can be used without fear of injury to its growth or texture, has hitherto been unattainable. Most, if not all, of the Hair Dressing heretofore sold at the Drug Stores are composed chiefly of oil and alcohol-ingredients which are antagonistic to the life of the hair.

Knights' Hair Dressing

Contains neither oil nor alcohol, is purely vegetable in its composition, and is the most perfect HAIR RENEWER AND INVIGORATOR that has ever been made available Persons whose hair has been thinned by sickness or age, should give this preparation a trial, with the assurance that a luxuriant growth of hair will result, unless the roots are dead, when such an effect is impossible.

Is an elegant preparation, exquisitely perfumed, inclines the hair to curl, will not soil the skin or any article of apparel, and is fast superseding the pernicious articles which have so long deceived a credulous public. Large Bottles-Price \$1.
